

Terms of Service

Mikio comission.

1. What I do not want to draw

- Vore
- Scat
- Underage porn
- Cub porn
- Any racist, sexist or any hatefull content
- Diaper porn

I have the rights to say no to a comission even if it's not on this list. I can add more if I find any more things I do not want to draw.

2. Comissions

I will only take comission through my mail.

Payment over Paypal only in USD.

I have the rights to say no to a comission I don't want to draw it. If you want to know why, I will let you know.

When I accept the comission, I will do a sketch for you. If you like it, you must pay before I continue.

I will not do any big changes after the sketch is done. If you want to see it after inking and before colouring, let me know. I can do small changes after inking.

You will get the high resolution on the mail.

I have the rights to upload the art wherever I want. But if you do not want your name/username in the description, you have to let me know.

You MUST give me credit for the drawing with my name and/or link to my FurAffinity account.

You CAN NOT remove my signature/wathermark on my art in any way, even if you have bought the art.

3. Trades

I do trades. Trades must be over mail only.

4. Request

I do not do requests, only through journals on FurAffinity.

5. Adoptibales

When I have gotten the money for an adoptibale, you can do whatever you want with it. You can also sell it.

You need to give me credit for the design once, specially on the ref/art I give you. You can't remove my signature/wathermark on that piece.

6. Refunds

You have the rights to get full refund if I have not started on the comission. You will only get partial refund if I have started on the comission.

You can see the undone comission, but with a wathermark. You can not use it in any way after the refund.

If I in any way can't do the comission after you have payed, you will get full refund even if I am almost done.

If you are unsatisfied with the comission, you will not get any refund. If there are any changes you want on it, you have to pay extra.

I can not garante you, that you will get exactly what you want. I am a human, and I can't read your mind.

You have gotten the sketch before you paid, and need to tell me any changes then. So you will get a chance to change it then.

7. Extra

My art can't be used in any commercial purposes unless it is staded otherwise.

You are not allowed to make changes to the image like recoloring, adding , removing or use commercially without my acceptance. Please contact me first.

Commissioned art may be reposted and displayed ONLY by myself and the commissioner.

I have the right to make any changes in my Terms of Service any time.

By commissioning me, you agree to the above terms and conditions.
