

How to Make your own Origami Dog or Cat Face!

Materials:

- 1 sheet of origami paper
- A pencil
- Colouring pencil or felts

Steps:

1. Get the square sheet of origami paper and grab one corner of the paper and fold it to the opposite side. Then push down the crease.
2. It will look like a triangle. Flip it over.
 - Get the two top corners and all ways score it. They are going to be the ears.
 - Then grab the bottom and there are two flaps fold both of them at the same time. That is going to be the mouth. (If you don't understand, unfold it. look at the dog in the lid of the jar.)
 - Flip it over and fold the top.
 - Then you get your pencil and draw a cat or a dog face.
 - Then you are done.
