Subject: SAA Hot Lunch Program
To:

Spencerville Adventist Academy

Dear SAA Community,

Dan Loukota sent an email before going into Christmas break letting you know he has taken a new position and will no longer be providing lunch at SAA. We want to thank him for all the years he has given to our school community and the many meals he has made. We wish him the very best and send our congratulations on getting his dream job!

We will be sending out a survey next week to get your ideas and opinions as we begin the big job of trying to find someone new to provide hot lunches. Please take a few minutes to complete the survey when it goes out. We will start meeting with people and collecting proposals this quarter. In the meantime, please make sure you send your child(ren) with a sack lunch. Microwaves and refrigerators are not available so lunches should be appropriately packaged and any necessary plasticware needs to be included.

If you know anyone who would be qualified and interested in this position, please have them email our Business Manager, Mrs. Thorp, at bthorp@spencerville.org.

Sincerely,

Tissiana Bowerman
