We take accountability for that, and we fix it. And that's what this meeting is so we appreciate the extra time you guys are putting in to get this fixed. The #1F bill will go through S&R. Appreciate you guys showing up a little early, for some of you who were on O&E, I know some of you guys were already here by 5:30 but also have other business to get to. Thank you guys for your patience and understanding. And hopefully it's a lesson on accountability and making sure to do things right.
