

Information for Guest Makers

CreateED was established in 2019 by local artists and makers who opened a shop on Kirkintilloch Main Street (Cowgate) to showcase their own artistic creations. Between us we make a range of art and crafted items including original artwork, handmade glass, and textiles as well as a range of printed art and handmade products.

We believe in supporting local artisans. We aim to offer a variety of locally made crafts that complement our current items and increase choice for our customers.

Product Selection: We strive to curate a unique collection of products that align with CreateED's values and ethos. While we celebrate diversity, items that directly compete with the 3 partners' offerings may not be chosen for display. Our goal is to maintain a positive atmosphere and protect the reputation of our collective.

Important Info: Commission rate on all products is 30% with a membership charge of £10 per month. A standing order of £10 per month is payable a month in advance. Makers volunteer one day a month in the Gallery. There will be a 3 month trial period.

Maker Credentials: You should be over 18 with the relevant business (public liability) insurance. Ideally you should have some experience of selling your own items.
