DIIS Lunch Visitor Guidelines

Dear Husky Families,

Welcome to our campus! Thank you for taking the time to come eat lunch with your Husky Pup. In order to ensure safety and structure, please adhere to the following guidelines:

- All parents/guardians must present their state issued ID at the front door prior to entering. Also, you must state your name, child's name, and reason for visiting.
- Upon entry to the building, you must sign in at the main office and wear your identification badge at all times. **Only those listed in Skyward will be permitted to eat lunch with their child.**
- Parents/guardians must report directly to the cafeteria and sit at the table designated for parent lunch visitors.
- Parents/guardians are only permitted to bring lunch for their students. Friends may not join you for lunch, and food/drink will not be shared.
- Parents/guardians are not to interact with students other than their own.
- For the safety and privacy of all students, limit photos and videos to only those of your student.
- Be respectful of all staff and students while on campus.
- Upon lunch dismissal, return to the main office, return your badge, and sign out.

Please sign and submit this form for our records. Thank you so much for your cooperation and understanding.

I have read, acknowledged, and will adhere to the Della Icenhower Intermediate School's Lunch Visitor Guidelines.
