

Mapping and making sense of your internship/field experiences

Each education student charts a unique path through Education Department offerings. The courses students complete include different kinds of internship/field experiences, some off campus and some on campus.

Please make a copy of this template to use to chart and reflect on your various internship/field experiences over the course of your major or minor journey.

Course title	Semester taken	Description of placement site and its relationship to the course and your overall journey
Entry-point course: [add name of course]		
Ed Dept Course 1: [add name of course]		
Ed Dept Course 2: [add name of course]		
Ed Dept Course 3: [add name of course]		
Ed Dept Course 4: [add name of course]		
Add rows as needed for additional courses with placements		
Capstone [add name of course]		Complete this <u>before</u> the semester in which you take the capstone so that you can work in active partnership with Margo to select the site.
