Club Advisor Job Descriptions

Club and Advisor	Club and Job Description
Fitness Club with Mrs. Kritsonis	The Advisor for the Fitness Club will play a pivotal role in guiding and inspiring middle school students to engage in physical activities and embrace a healthy lifestyle. This position requires a passionate individual who values wellness and can create a supportive and motivating environment for all club members.
Jazz Band with Mrs. DeBolt	The Advisor for the Jazz Band is responsible for nurturing the musical talents of middle school students and fostering a deep appreciation for jazz music. This role involves guiding students through the intricacies of jazz performance, improvisation, and collaboration. The advisor will create an inclusive and creative environment where students can explore various jazz styles, develop their musical skills, and express themselves through music. By organizing rehearsals, performances, and educational workshops, the Jazz Band Advisor will inspire students to grow as musicians and cultivate a lifelong love for jazz.
D&D Character Strong Club with Mr. Rogen	The Dungeons & Dragons Advisor is dedicated to creating an engaging and inclusive environment for middle school students to explore creativity, teamwork, and social-emotional learning through the popular tabletop role-playing game. This role involves guiding students in character creation, storytelling, and gameplay while incorporating lessons on communication, empathy, and conflict resolution. The advisor will foster a supportive community where students can express themselves, build friendships, and develop critical social skills in a fun and imaginative setting.
Art/Board Games Club with Mr. Rogen	The Advisor for the Art and Board Games Club is dedicated to fostering creativity, collaboration, and critical thinking among middle school students through artistic expression and engaging board games. This role involves creating a welcoming environment where students can explore various art mediums while also enjoying the strategic and social aspects of board gaming. The advisor will guide students in developing their artistic skills and encourage teamwork and problem-solving through interactive game play. By organizing art projects, game nights, and workshops, the Art and Board Games Club Advisor will inspire students to express themselves artistically and build lasting friendships.
Culture (Heritage) Club with Mrs. Gillespie, Mrs. Cole, and Mrs. Kanton	The Advisor for the Culture Club is committed to promoting cultural awareness, diversity, and inclusivity among middle school students. This role involves guiding students in exploring various cultures through activities, discussions, and

	<p>events that celebrate global traditions, customs, and languages. The advisor will create a welcoming environment where students can share their own cultural backgrounds while learning about others. By organizing cultural events, workshops, and presentations, the Culture Club Advisor will inspire students to appreciate diversity and develop a global perspective.</p>
Yearbook Club with Mr. Preece	<p>The Advisor for the Yearbook Club is responsible for guiding middle school students in capturing and celebrating the unique experiences of their school year through the creation of a comprehensive and creative yearbook. This role involves mentoring students in photography, writing, design, and teamwork, ensuring that they develop essential skills while producing a meaningful keepsake for their peers. The advisor will foster a collaborative environment where students can express their creativity and take pride in their contributions to the yearbook.</p>
Show Choir with Mr. Johnson	<p>The Advisor for the Show Choir is committed to fostering a vibrant and dynamic environment where middle school students can explore their vocal talents and develop their performance skills. This role involves guiding students in singing, choreography, and stage presence, encouraging them to express themselves creatively through music and dance. The advisor will create an inclusive atmosphere that promotes teamwork, confidence, and artistic growth. By organizing rehearsals, performances, and workshops, the Show Choir Advisor will inspire students to shine on stage and cultivate a love for the performing arts.</p>
Robotics Team/Club with Mr. Preece	<p>The Advisor for the Robotics Club is dedicated to inspiring middle school students to explore the exciting world of robotics, engineering, and technology. This role involves guiding students in the design, construction, and programming of robots, fostering critical thinking, problem-solving, and teamwork skills. The advisor will create a collaborative environment where students can engage in hands-on learning experiences and participate in competitions. By organizing workshops, projects, and events, the Robotics Club Advisor will encourage students to innovate and develop a passion for STEM (Science, Technology, Engineering, and Mathematics).</p>
Academic Support with Ms. McCarthy	<p>The Academic Support Advisor is dedicated to providing middle school students with additional academic assistance and resources outside of regular school hours. This role involves creating a supportive and nurturing environment where students can seek help with their studies, develop effective study habits, and enhance their understanding of various subjects. The advisor will work closely with students</p>

	to identify their academic needs and provide tailored support, fostering a culture of learning and academic success.
