

Meeting Minutes March 10, 2026

The meeting was opened with prayer, followed by opening remarks from SHANE President James Campbell.

We are planning to invite at a future meeting, La Keisha Jackson Indiana State Senator, serving District 34 which includes the east side of Indianapolis and portions of Lawrence.

G7 (Seven Neighborhood associations) met at a meeting several weeks ago and determined we need to reach out to our associations and find out what the residents want. We have projects for 2026 on east 38th street, and the West Montgomery park on 34th street. We need to find additional ways of using the park, such as concerts, tournaments etc.

A Far Eastside association group called Campee wants our association to annex with their group. Voting conversation regarding individuals should not go by themselves, they should go in groups, or another person with them.

MINUTES: Minutes were sent out to residents a week prior to our monthly meeting. There were no corrections to the minutes they were accepted and approved.
