

Privacy Policy for Grit

Last updated: February 11, 2026

1. Introduction

This Privacy Policy explains how we collect, use, and protect your information when you use our mobile applications (**Grit**). By using these Services, you agree to the collection and use of information in relation to this policy.

2. Information Collection and Use

For a better experience, we may require you to provide certain personally identifiable information:

- **Account Data:** Email address and name for authentication via services like Supabase.
- **Financial Data (Grit and Grow):** Monthly earnings, savings goals, and daily spending logs.
- **Interview Data (LiveView):** Audio and video data processed for real-time interview assistance.

3. Permissions and Device Access

Our apps request access to specific device tools to function:

- **Camera:** Used for the "Receipt Scanner" in Grit and Grow to identify spending and for potential visual context in LiveView.
- **Location (ACCESS_FINE_LOCATION):** Used to provide location-based financial insights or relevant local services.
- **Internet:** Required to communicate with the Gemini API for AI processing and to sync data with cloud storage.

4. Third-Party Services

We use third-party providers to facilitate our Service and perform service-related tasks:

- **Google Play Services:** For app distribution and integrity.
- **Gemini API (Google):** For real-time AI analysis and content generation.
- **Supabase:** For secure user authentication and database management.

5. Data Security

We value your trust and strive to use commercially acceptable means of protecting your personal information. However, no method of transmission over the internet is 100% secure.

6. Children's Privacy

These Services are not intended for anyone under the age of 13. We do not knowingly collect information from children. If we discover such data, we will delete it immediately.

7. Contact Us
