

Dear Intermediate Units,

Happy National Financial Capability Month!

As the Official Bank of the Western Pennsylvania Interscholastic Athletic League (WPIAL) and sponsor of the Financial Trivia Challenge, First National Bank is passionate about providing [free financial education resources](#) to educators, students and parents.

Pennsylvania students are *not* currently required to take a course in personal finance to graduate high school. (Beginning with the 2026–2027 school year, students will be required to take a personal finance course to graduate.¹)

We partner with the WPIAL to bridge this financial education gap. Our goal is for students to graduate with a basic understanding of their finances so they can head into the world with a strong foundation and successfully manage their financial futures.

About our Program

Our program offers ways for students, teachers and even parents to engage and learn.

Educator Resources: Presentations and Supplemental Materials

Educators can access five financial presentations that address relevant topics for students:

- Saving and Budgeting
- Credit Card Use
- Paying for College
- Buying Your First Car
- Identity Protection

All topics include a course overview, PowerPoint presentation and student quiz/worksheet with answer key. Presentations are designed to take less than one full classroom period.

Educator resources can be downloaded using the following link: fnb-online.com/lessons

Student Resources: Self-Paced Virtual Learning

Students can dive deeper into managing their finances while learning at their own pace in our High School Financial Education Center. The Center focuses on three learning tracks: budgeting, savings and investing. Students can access the modules on their mobile devices or computers, no matter if they are at home, on the go or in the classroom.

Student learning modules can be accessed at the following link: [High School Financial Education Center](https://fnb-online.com/learn).

Explore All Financial Education Resources

Virtual resources are available to everyone in our Knowledge Center: fnb-online.com/learn.

If you have any questions about our Financial Insights program, please contact us at FinancialInsights@fnb-corp.com.

Thank you,
