Attendance

It is important that your child attends school everyday that the school is open unless they are unwell or for unforeseen circumstances. Taking children out of schools for holidays will not be authorised and therefore could result in a fine. Please remember that taking a child out of school can have an impact on their learning for the time that they are off and they can miss key concepts to learning. Not only can it impact academically but it can also have an effect on their social skills and confidence too.

Year 5 Trip to Walsall Art Gallery

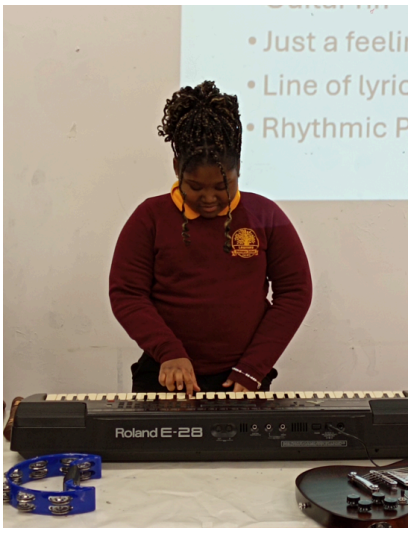

On Wednesday 22nd January, Year 5 went to the Art Gallery in Walsall as part of their 'Composing To Art' project they are completing. When they arrived, they were shown 4 pieces of art that they will be using in the following weeks. We were really proud of how well behaved the children were and how they answered the questions asked by staff.

We also wanted to share how proud we were of the children's behaviour when using public transport. They were conscious of members of the public and were very polite too.

Y1 Grandparent Visit

This half term the children in Y1 have been learning all about the past and how things have changed. This week one of our pupils Grandmas came in to talk about how things were when she was a little girl. She spoke about school, toys, meals and how things were very different! She even brought in a teddy bear she had when she was born!

A huge thank you for coming in and helping develop our pupils' knowledge and understanding of the past and how things have changed.
