EXT. CROC'S SWAMP - AFTERNOON

Croc is sitting in her swamp, half-submerged in marsh waters, watching videos on her phone.

Croc

(stretching her arms)

「ふぁ～ 疲れた・・・腹減ったし」

“Yawn~~ I’m so tired... Hungry, too...”

Croc locks her phone and places it on top of a nearby tree stump.

She stands up and walks toward a nearby fridge that is half-sunk in the marsh. It is unclear how the refrigerator draws power in the marsh. She opens the fridge. It’s nearly empty.

Croc

(annoyed)

「…………ああああ！めんどくさい！！全く……」

“Arghhh! Dammit! Ughh……”

She slams the fridge door and walks over to a disheveled pantry dangling from some vines. She opens it.

Inside, there is only a single item: a box of Annie’s Shells & Real Aged Cheddar mac and cheese.

Croc looks nervously at the box.

The box is simply standing there, but its aura feels intimidating.

Croc continues nervously staring at the box. She's sweating.

The box's aura feels more intimidating.

Croc's eyes start twitching as she stares at the box. Her heart is pounding.

The box's aura feels even more intimidating.

Croc is breathing heavily with anxiety as she keeps staring at the box.

SOMETIME LATER

Croc is floating face-up in the marsh waters. Her snout is stained with yellow cheese, and her belly is extremely bloated. She looks half-dead.

Croc
(barely able to speak)
「価値あった」
“Worth it.”
