ParentVue Directions

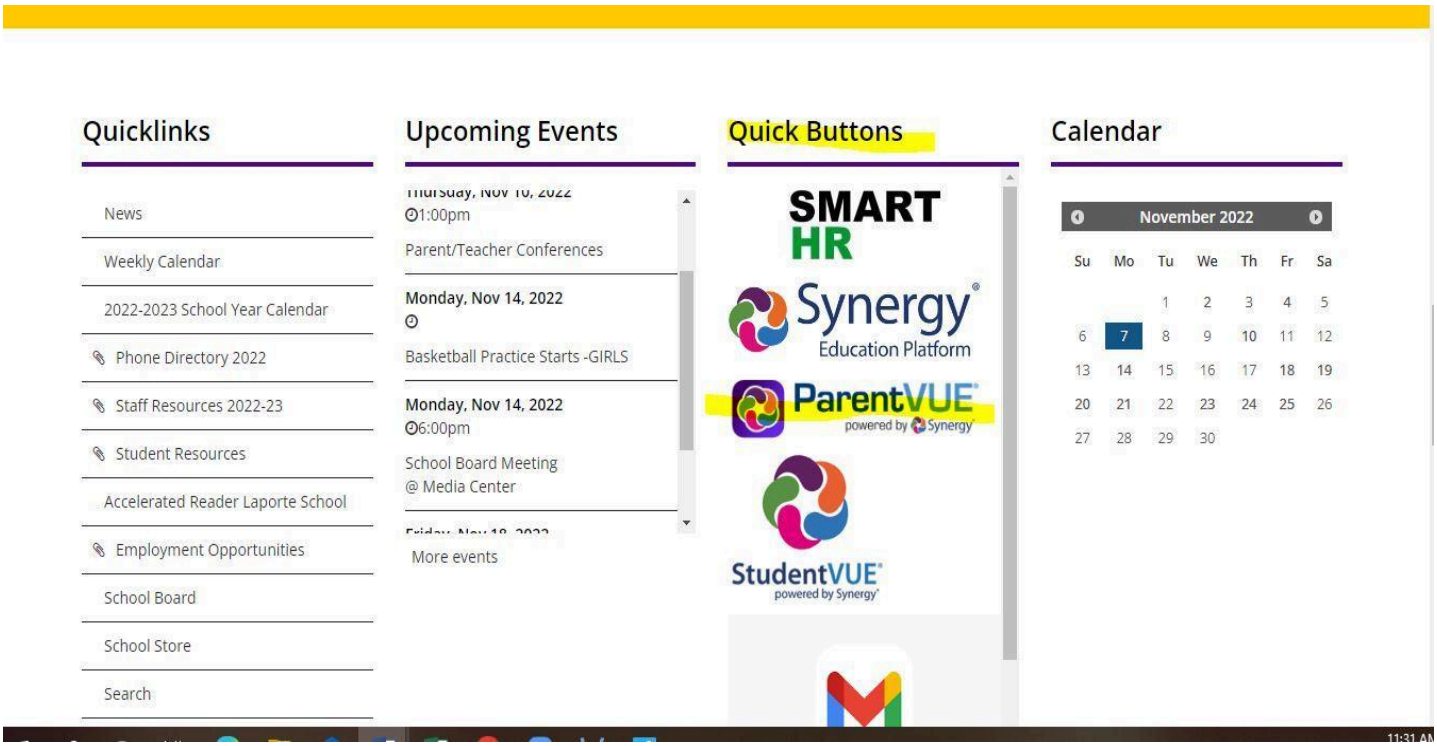

SYNERGY is a completely web-based student information system that tracks class schedule, grades, attendance, behavior, and health data for each student.

A component of this package includes a ParentVUE portal - a safe and secure way for parents/guardians to access information about your student's academic progress. Parent account activation is a self-registration process. Each parent/guardian is provided a unique activation key code that is one time use for activating your account only.

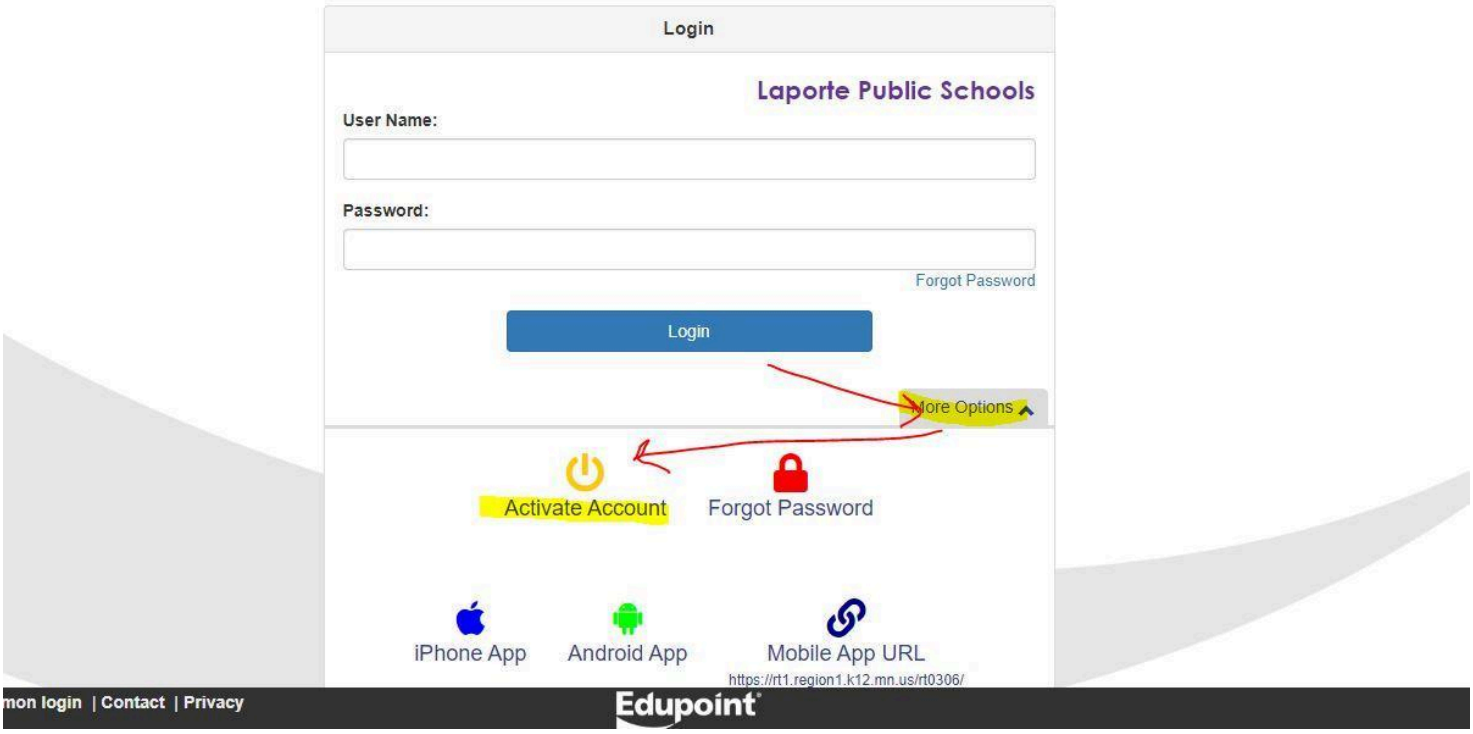

**********In order to use ParentVUE you must have an email account.***

STEP 1: Go to the Laporte School Website

Scroll Down to the **Quick Buttons- Click on ParentVue Icon below**

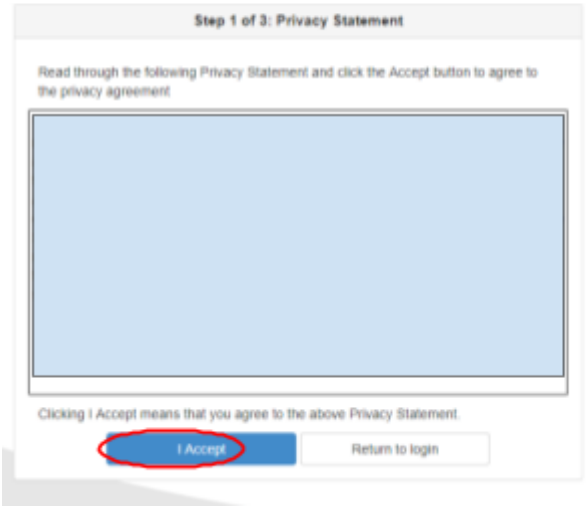

STEP 2: Click the "More Options" Tab then select "Activate Account"

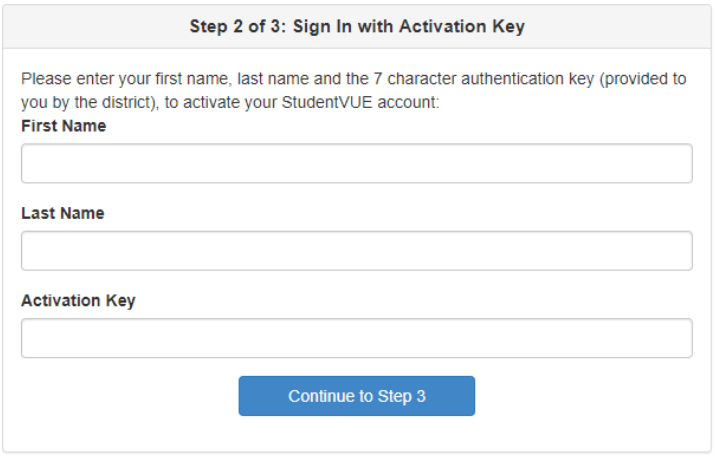

STEP 3: Click on "I am a Parent"

STEP 4: Read through the privacy statement and click **Accept**.

STEP 5: Enter your First Name, Last Name, and 7 character activation key from the bottom of the Activation Letter. You can get this from the Laporte School Office. Then click the **Continue to Step 3 button**.

STEP 6: Create a username, password, and enter your email. Then click the Complete Account Activation button.

You can also find the ParentVUE app for your phone. Just search for ParentVue and look for this icon.

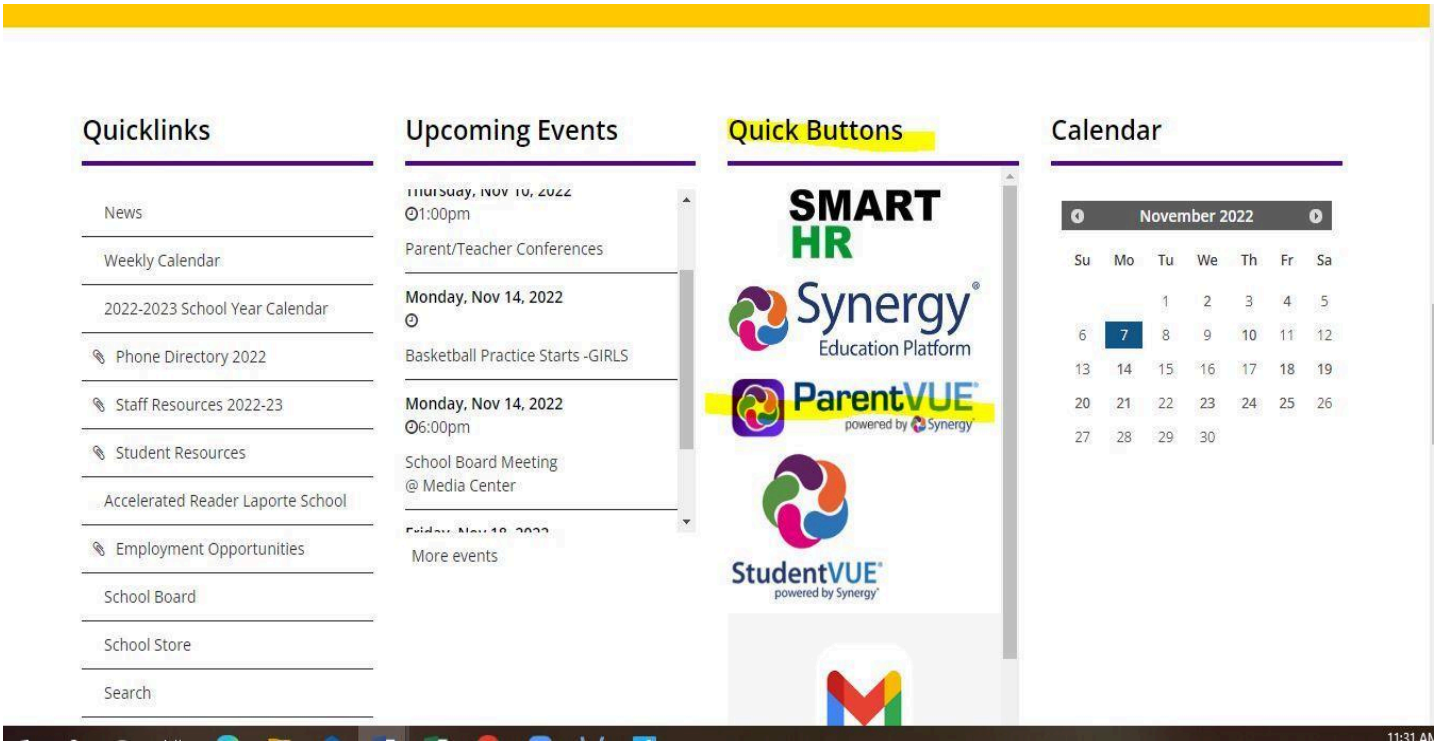

Logging in once activation is complete:

Once you have activated your account you no longer need to use the activation key.

STEP 1: Go to the [Laporte School WebSite]

Scroll Down to the **Quick Buttons- Click on ParentVue**

STEP 2: Click on the **I am a Parent tab.**

STEP 3: Enter the user name and password you chose when first activating your account.
