SBDM Parent Site Registration Directions

1. **Click the Self Registration Link** below:
   https://jcps-sbdmparents-ky.safeschools.com/register/8b686dae

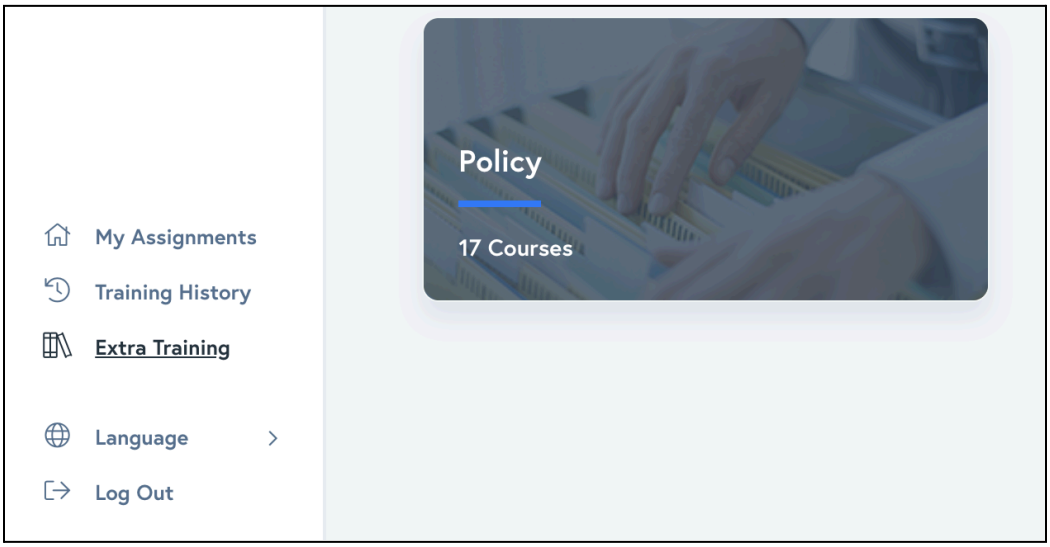

2. Once launched you will see a screen like the one here.

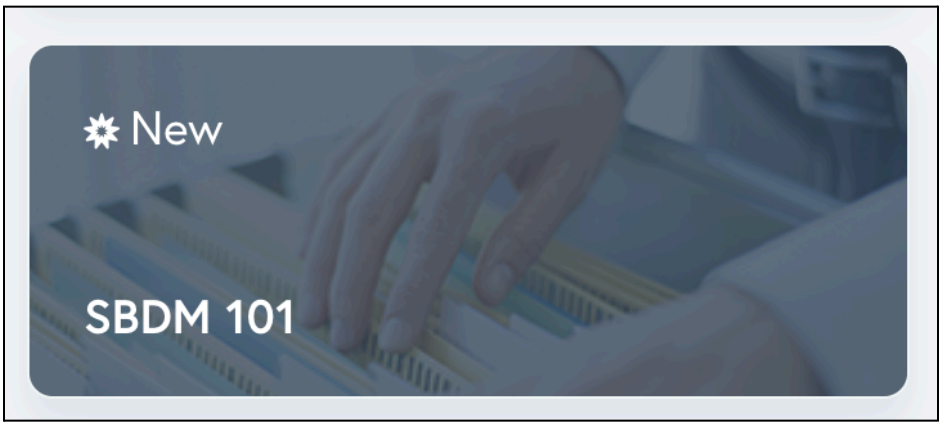

3. Please enter your email address as the Username.
4. Type in your full first and last name. This will also allow all records to be accurate.
5. Create a password. Your password must be 5 characters and have 1 uppercase letter and 1 special character.
6. Once all fields are completed, please select the green “Register” button in the bottom right hand corner.
7. To access the trainings you will select View Library or you can select Extra Trainings on the left hand side

8. Select Policy

9. You will now find the SBDM course for you to complete.

Please do not take any other SBDM course except the SBDM 101 Course.

You will only receive credit for completion of SBDM 101. No other courses are being monitored.
