Moving forward if u are doing important things and suddenly u experience some problem with your service.. . actually we have a website and application that will help to fix your TV internet or phone issues By visiting xfinity.com/support

By the way did you know that you can also do troubleshooting step on any service issue on our website? Yes you can by visiting xfinity.com/support there you dont have to wait on que

by they way this is an announcement from comcast to all customer who subscribe on xfinity internet its up to you if you are interested but as technical support we let customer inform that you are entitled to use XFI app to monitor who is using ur internet and change your wifi name and password

If i could show u the way to help u out to lower down ur bill would you like to take advantage on that do you right?
After this call we will connect u to someone and tell u more details of the mobile and ofcourse in the end of the day u are still the one who will decide and i can rest assured that this will be a better

I also do appreciate for being part of comcast since

Hows comcast

So this is the recap

sir /mam please dont Accuse us for _____ because first of all its not our intention to put you into situation like this. . . besides you call comcast to ask help so as an expert we will let you know what is the cause and what is the best action plan to resolve this

I do understand because ive been there in that situation as well,
