Medical Room Procedures for Families

2021-2022

Please note any student who is out of school for an **illness* or has an unexcused absence** is required to have a negative COVID test (*****PCR or Rapid Test administered by a provider)** to return to school.

*A negative test is NOT required after an absence **(within 10 days)** after testing positive for COVID. **UPDATE**

We will need a copy of the negative test results. Verbal confirmation is not accepted.

If Individual Exposed to a Close Contact had COVID in the past 90 Days

***a picture of a home test is not sufficient, that, if a home test is used, it needs to be proctored by a health professional and the results need to come from that professional in a digital format

- **No symptoms**: exempt from quarantine- remain at school/work
- **If symptomatic**: the individual should quarantine at home until a negative test on or near day 5 from the onset of symptoms confirms symptoms are not attributable to COVID-19

Please note that a student who is out of school for illness *and meets the criteria below* is required to have a negative covid test to return to school

Major Symptoms	Minor Symptoms
One major symptom requires a COVID test	Two or more minor symptoms require a COVID test
- Cough - Shortness of Breath - Difficulty Breathing - Loss of Taste and Smell	- Fever >100.4° - Chills - Muscle/Body Aches - Sore Throat - Nausea/Vomiting - Headache - Diarrhea - Fatigue - Runny Nose - Nasal Congestion
