Terms of Service

1. Acceptance of Terms

By inviting, using, or interacting with Bocchan (the "Bot") in any Discord server, you agree to be bound by these Terms of Service ("Terms"). If you do not agree to these Terms, you must immediately stop using the Bot and remove it from any servers you manage.

These Terms apply to all users, including server administrators, moderators, and regular members who interact with the Bot.

2. Description of Service

Bocchan is a Discord bot offering a range of features including but not limited to:

- Moderation tools (anti-nuke, warnings, logging)
- Server configuration (welcome/goodbye messages, auto roles)
- Anime and search features
- AI-powered commands
- Utility commands

Features may be added, modified, or removed at any time without prior notice.

3. Eligibility

You must be at least 13 years of age (or the minimum age required by Discord's Terms of Service in your country) to use the Bot. By using the Bot, you represent that you meet this age requirement.

You are responsible for ensuring that your use of the Bot complies with Discord's own Terms of Service, available at <https://discord.com/terms>.

4. Acceptable Use

You agree NOT to use the Bot to:

- Violate any applicable local, national, or international laws or regulations
- Harass, abuse, threaten, or harm other users
- Spam, flood, or otherwise disrupt Discord servers
- Attempt to exploit, reverse-engineer, or circumvent the Bot's features or security
- Use the Bot for any commercial purpose without prior written consent from Xmoke
- Impersonate the Bot, its owner, or any other person or entity
- Distribute malware, harmful links, or malicious content through Bot commands

Violation of these rules may result in permanent blacklisting from using the Bot.

5. Server Administrator Responsibilities

If you are a server administrator who has invited Bocchan to your server, you are responsible for:

- Ensuring the Bot is configured appropriately for your community
- Monitoring Bot usage within your server
- Ensuring your server members are aware of these Terms
- Complying with Discord's Community Guidelines and Terms of Service

6. Availability & Uptime

The Bot is provided on an "as is" and "as available" basis. Xmoke does not guarantee that the Bot will be available at all times, free of errors, or uninterrupted. Maintenance, updates, or unforeseen issues may cause temporary downtime.

Xmoke is not liable for any losses or inconveniences caused by Bot downtime or service interruptions.

7. Modifications to the Bot

Xmoke reserves the right to modify, suspend, or discontinue the Bot or any feature thereof at any time, with or without notice. Xmoke shall not be liable to you or any third party for any such modification, suspension, or discontinuation.

8. Intellectual Property

All content, code, branding, and features of Bocchan are the intellectual property of Xmoke unless otherwise stated. You may not copy, reproduce, distribute, or create derivative works based on the Bot without express written permission from Xmoke.

9. Blacklisting & Enforcement

Xmoke reserves the right to blacklist users or servers from accessing the Bot at any time, for any reason, including but not limited to violations of these Terms. No refund or compensation will be provided if any premium features were accessed by a blacklisted user or server.

10. Disclaimer of Warranties

The Bot is provided without warranties of any kind, express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Xmoke does not warrant that the Bot will meet your requirements or that it will be error-free.

11. Limitation of Liability

To the fullest extent permitted by applicable law, Xmoke shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from your use of or inability to use the Bot, even if Xmoke has been advised of the possibility of such damages.

12. Changes to These Terms

Xmoke reserves the right to update or modify these Terms at any time. Continued use of the Bot following any changes constitutes your acceptance of the new Terms. It is your responsibility to review these Terms periodically.

13. Contact

If you have questions or concerns about these Terms, please contact Xmoke through the official Bocchan support server or via the website at <https://bocchan.netlify.app>.

Privacy Policy

1. Introduction

This Privacy Policy explains how Bocchan ("we", "the Bot") collects, uses, stores, and protects information when you use the Bot in a Discord server. We are committed to protecting your privacy and handling your data responsibly.

By using the Bot, you consent to the data practices described in this Privacy Policy.

2. Information We Collect

The Bot may collect the following types of information in order to function:

Automatically Collected Data:

- Discord User IDs — to identify users for moderation, roles, and command usage
- Discord Server (Guild) IDs — to store server-specific configurations
- Discord Channel IDs — to manage logging and notification channels
- Message content — only when a command is invoked; not logged or stored persistently
- Role IDs — for role assignment features such as Auto Role and VC Role

User-Provided Data:

- Configuration settings entered by server administrators (e.g., welcome messages, moderation rules)
- Warning and moderation records (user ID, reason, moderator ID, timestamp)

3. How We Use Your Information

The information collected is used solely to provide and improve the Bot's functionality, including:

- Delivering the features and commands you request
- Storing server configuration settings across sessions
- Maintaining moderation logs and warning records
- Preventing abuse and enforcing these Terms of Service
- Improving Bot performance and identifying issues

We do not use your data for advertising, marketing, or any commercial purpose.

4. Data Storage & Security

All data collected by the Bot is stored securely. We take reasonable technical and organizational measures to protect your data against unauthorized access, loss, or misuse.

However, no system is completely secure. While we strive to protect your information, we cannot guarantee absolute security of data transmitted over the internet or stored in our systems.

5. Data Retention

We retain data only for as long as it is necessary to provide the Bot's services:

- Server configuration data is retained until the Bot is removed from the server or the configuration is reset
- Moderation records (warnings, bans) are retained until manually deleted by a server administrator
- Command interaction data is not stored persistently

Upon removal of the Bot from a server, server configuration data may be deleted from our systems within a reasonable timeframe.

6. Data Sharing

We do not sell, trade, rent, or share your personal data with third parties, except:

- When required by law or a valid legal process
- To protect the rights, safety, or property of Xmoke, users, or the public
- With Discord, to the extent necessary for the Bot to operate (subject to Discord's own Privacy Policy)

7. Third-Party Services

The Bot may use third-party APIs or services (such as anime databases or search engines) to fulfill certain commands. These services have their own privacy policies and we encourage you to review them. Bocchan is not responsible for the data practices of third-party services.

8. Children's Privacy

The Bot is not directed at children under the age of 13. We do not knowingly collect personal information from children under 13. If you believe a child under 13 has provided us with personal data, please contact us and we will take steps to delete such information.

9. Your Rights

Depending on your jurisdiction, you may have the right to:

- Request access to data we hold about you
- Request deletion of your data
- Request correction of inaccurate data

To exercise any of these rights, please contact Xmoke through the official Bocchan support server or at <https://bocchan.netlify.app>. We will respond to your request within a reasonable timeframe.

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify users of significant changes where reasonably possible. Continued use of the Bot after any changes constitutes your acceptance of the updated Privacy Policy.

11. Contact Us

If you have any questions, concerns, or requests regarding this Privacy Policy or your data, please contact Xmoke via:

- The official Bocchan support server on Discord
- The Bocchan website: <https://bocchan.netlify.app>
