What is AppOwls24:

AppOwls24 is an AI-powered mobile app builder that helps you build smart, super sleek, fully functional, and professional mobile apps for iOS and Android, for yourself and local businesses in less than 60 seconds.

You can create course selling apps, coaching apps, consultation apps, ecommerce apps, local business apps, online business app, personal apps, appointment booking apps and more, that you can sell for $500 - $1000 a pop to your clients, including Push Notification, SMS notifications, email notifications and more.

All the apps can be published on iOS store and Play store OR can be stand alone PWA apps, compatible with all mobile and desktop devices.

AppOwls24 lets you create apps using just a prompt using its AI or from tons of professionally created templates.

Enter a prompt and answer a few questions about your business type,, and contact details. Your information will lay the foundation for your unique smart mobile app built specifically suited to any business needs.

You can add additional pages, members area, sell courses, do coaching, take appointments, eCommerce stores, loyalty programs and tons more to the mobile app you're building using AppOwls24. Create and sell unlimited mobile apps to local businesses using AppOwls24.

With AppOwls24, there are limitless possibilities.

Remember, there are 60 million businesses in the United States alone.
Out of which, 46 million businesses do NOT have a mobile app. And most that do, need a new modern functional app re-created for them.

And that's just the United States. There are over 195 countries in the world.

There is almost an infinite amount of demand for mobile app creation, and you, yes YOU, should be at the forefront of all of this and taking a piece of this $170 Billion mobile app creation industry today!

Other similar mobile app builders out there cost over $480 annually…and you keep paying them forever. And they don't even have half the features of AppOwls24.

DRAG-N-DROP MOBILE APP BUILDER HELPS YOU CREATE UNIQUE LOCAL-BUSINESS & PROFESSIONAL MOBILE APPS FOR iOS & ANDROID USING JUST A PROMPT!

CREATE PROFESSIONAL MOBILE APPS USING JUST A PROMPT FOR iOS & ANDROID (Native & PWA Both).

What's New in AppOwls24:
The new AppOwls24 is built on AI and creates mobile apps using just a prompt.
And now you can create apps where you can create and sell courses, coaching, appointments/calls/consultations, drip feed courses or any content, and it comes with 10+ new blocks (quizzes, forms etc) that can be add into a page in the app or as individual pages.

The new AppOwls24 also has tons of new templates, lets you create app from scratch or templates as well and is very fast.

Existing customers of AppOwls Legacy or AppOwls v1.0 will get a special $80 discount coupon on the webinar and inside their v1.0 app dashboard to upgrade to the new AppOwls24 bundle.
