

Apollo Math - Exponents

Math Assignment: Knowing how to work with exponents would have been critical for human calculators during the Apollo 11 mission because exponents are a way to handle very large or very small numbers. It's time for you to be a human computer.

6th Grade/7th Grade:

1. Click on these links for exponent practice pages. Answer sheets are on the second page. Don't peek until you've done the best you can, and then use them as a tool to check your understanding. Show your work!
