Measurements:

- Crumb Cake Card Stock: 11" x 4 1/4", 1" x 2 1/2"
- Night of Navy Card Stock: 5 3/16" x 3 15/16"
- Basic White Card Stock: scrap (stick bobber)
- Let's Go Fishing DSP: 3 3/4" x 5", Die cut 3 Fish
- Fresh As A Daisy DSP: 3 3/4" x 3"
- Boho Blue Card Stock 3 3/4" x 1"
- Vellum Card Stock: 3 3/4" x 2 1/2" (trim as needed)
- Silver Trim: 4"

Instructions:

1. Fold Crumb Cake card base in half forming a 5 1/2" x 4 1/4" card.
2. Adhere Night of Navy Card Stock onto cardfront.
3. Adhere Fresh As A Daisy DSP to top of Card layering it onto Night of Navy.
4. Die Cut the Boho Blue Cardstock with the "wave" die. Save the piece you remove. Die cut it on the left side with the "open water" die.
5. Add the small piece of Boho Blue to the top of the Let's Go Fishing DSP and using Snips cut the wave so just a 1/16" shows about Boho piece.
6. Adhere the DSP to the bottom of the card layering it on the Night of Navy.
7. Leave a small opening at top to tuck the larger Boho Blue piece under the DSP and adhere.
8. Add the cut-out fish with adhesive on DSP then layer the Vellum Card Stock over it so that it looks like the fish are under the water.

- 9.** Die cut the “Stick Bobber” pieces with Basic White. Color with Black Marker around center of bobber then color the top with Pumpkin Pie marker.
- 10.** Put your bobber into the hole left by the die. Use Stampin’ Dimensionals to adhere.
- 11.** Tie the trim in a knot near the bottom unravel the trim to make threads. Adhere to top of stick bobber with a mini glue dot. Tuck other end under the DSP and add some glue to secure.
- 12.** Die cut out the set of 3 clouds and adhere to the card tucking one or two under the trim.
- 13.** Stamp the greeting onto the small crumb cake piece and adhere to card with Stampin’ Dimensionals
- 14.** Stamp your inside and envelope to match.
