

Should worship opening a restaurant in the house or yard?

One of the questions that many people are interested in is the ceremony [opening ceremony Store](#), company in the house or yard? If you are having the same questions, let us find out where the opening ceremony should be held.

Should worship opening shops, companies in the house or yard

1. Should organize the opening ceremony in the house or yard is good?

[The opening ceremony](#) is one of the extremely important ceremonies for those working in the field of business. Therefore, the information about this ceremony is very interested and one of the issues that many customers wonder is where should the ceremony be held? Most companies, businesses, shops, cafes, ... today when organizing the [opening ceremony of the Year](#) New, are done at the front of the company, shops. Particularly for the location of the tray, we still have to see which head is suitable. Should choose the best

direction for the head to place a tray for the purpose of bringing convenience and luck in the new year for companies and shops.

So why should the ceremony to celebrate the opening of the year in the yard, outdoors instead of indoors? This is because this ceremony is held for the purpose of declaring to the Earth Gods, the gods who are in charge of governing the area and praying for their blessings and protection in the new year. This ceremony also has the same meaning as the reception or the opening ceremony.

Since ancient times, our fathers still had the phrase "head down and out." Therefore, the opening ceremony held completely and smoothly will bring a good new year, expensive trade, prosperous business.

2. What is included in the opening of the store?

To prepare for the ceremony **opening of** shops, restaurants, businesses, ... outdoors, it is very important to prepare the offering tray. If you do not know [Opening offerings need what](#) then the following is a list of offerings to be prepared when outdoors:

- Tray of five fruits
- 3 platters of sticky rice
- 3 cups of white water
- 3 cups of tea
- 2 candles
- 1 dish of fresh green betel nut
- 1 boiled chicken First wing
- 1 set of votive papers
- 1 boiled or roasted pig head or 1 roasted milk pig
- 1 bowl of incense
- 1 bowl of rice

A simple opening tray

All the gifts will be displayed on a table large, firm and placed in front of the store, company door. Waiting until the good time will conduct lighting, incense and prayers.

3. A vow to pray for the simple opening of the open air

After lighting the lamp and incense, you will be offered a vow. Reading a vow is a way for the living to send to the superiors their devotion and wishes for the new year, hoping to be blessed by their god for business. The content of the vow is as follows:

“Namo Amitabha Buddha!

Nam Mo Amitabha Buddha!

Nam Mo Amitabha Buddha!

I prostrate the nine directions, the ten Buddhas, the Buddhas, the ten directions.

I respectfully proclaimed Quan Chieu, who governed Thai tu Tue Ton.

I respectfully send you the Scenes of the Imperial City.

I respectfully prostrate to you Five directions, Five earth, Long circuit, God of wealth, God blessing the Gods and gods.

I prostrate to the Gods in this area.

Our creditor (us) is: **Age:**
..... **Current time:**

Today is the day.... month ... in 2019, the faithful devotees to repair the ceremony, betel leaf, betel nut, aroma of tea tree fruit, and the burning of incense to rise before the judgment, the sincerity that: this owner now wants to open the business. (or production) for life, for living. Therefore, we have chosen a good day to prepare and present the gifts of worshipping God and the Spirit. Looking forward to looking. We would like to invite the Chronicles of the Contemporaries, the Gods of the Earth, the Gods of Bliss to the Gods and the Lord of Long Circuit and all the Gods who govern this area to be holy before the incense, enjoy the ceremony wrestling, witness. Please help all of us, so that we can trade in prosperity and prosperity, prosperity, prosperity, and whatever we need, whatever we may wish. The Master again invited the Presidents, Hau owners and herbalists to accompany the herbalists living in this area, please come here to enjoy the gifts and patronage for the children and business owners to meet with good luck. We sincerely silver ceremony, before the glass ceremony, bowed please be blessed.

Nam Mo Amitabha Buddha!

Nam Mo Amitabha Buddha!

Namo Amitabha Buddha! "

Read the prayers for the opening ceremony

4. Note the opening ceremony outside

In addition to grasping **how to worship the opening of the store**, the company, you need to pay attention to the following issues:

- Before the ceremony, the homeowner must bathe clean, dress neatly and attend the ceremony with a serious attitude sufficiency, devotion

When worshipping, dress neatly and politely

- After worshipping, you must wait until the incense burns out, then begin to pray to the gods. Perform 3 vows and bring votive paper to finish the opening ceremony
- After offering, please invite guests to the store to start doing business in the new year. Ideally, you should ask people who are the right age for the head of the store, the business to open the shop to wish the new year may sell expensive goods.

Above is the answer for those who are wondering whether **to open** in the house or outside. yard, outdoors. If you still have questions or want to use the service of opening ceremony at the beginning of the year for shops, businesses, you can contact the Spiritual Supplies for answers and support.
