

Sage's Commission Pricing - 2025

[Last updated: 06/06/2025]

Complexity of the character design/additional characters/details/changes can affect the cost of a commission. Complex, painted backgrounds such as forests or cities, will bump up the price \$90. Picture references are preferred, detailed descriptions are also acceptable (depending on the type of commission). When you commission me (Sage/FLOart), you acknowledge that these commission prices are fair and non-negotiable.

❖ **Sketch Commissions** - A character sketch with a solid background.

- Headshot-----\$20
- Half Body-----\$30 +\$15 for each additional character.
- Full Body-----\$40 +\$20 for each additional character.
- Sketch Page-----Priced per regular sketch commission, with a \$10 fee.
Can include up to five sketches.

❖ **Colored Sketch Commissions** - A character sketch colored with flat colors and a solid or simple background.

- Headshot-----\$50
- Half Body-----\$60 +\$40 for each additional character.
- Full Body-----\$70 +\$45 for each additional character.
- Colored Sketch Page-----Priced per regular colored sketch commission, with a \$20 fee. *Can include up to five colored sketches.*

❖ **Painted Commissions** - An illustrated character, fully colored and shaded with a solid or painted background.

- Headshot-----\$90
- Half Body-----\$110 +\$80 for each additional character.
- Full Body-----\$120 +\$85 for each additional character.

❖ **Character Reference Sheet**-----\$130

A full body illustration featuring the front and back of the character, a closeup of the face, and three closeup details or items. Includes name of the character, character info (height, species, age, gender, etc.), color palette, and 4 words that best describe your character. Flat colors with a solid background.

- +\$30 for each additional closeup detail or item.
- +\$90 for an alternate version of the character reference sheet (such as a NSFW version)

❖ **Comic Page Commissions** - An illustrated comic page consisting of five panels, with simple or solid backgrounds depending on commission type. Features one to two characters per page, with custom dialogue(optional).

- Sketch-----**\$120** +\$30 for each additional character and panel.
- Colored Sketch-----**\$140** +\$60 for each additional character and panel.
- Simple Shading-----**\$200** +\$80 for each additional character and panel.
- Cover Page-----**\$ Refer to regular illustrated/non comic commissions for cost, with Simple Shading Cover Pages starting at \$90.**
- Comic Story - *A series of up to 5 comic pages. Cost is per page, and will vary depending on the type of comic commission(sketch, colored sketch, etc.); a payment plan will be made upon discussion. A discount will be offered to those who add a cover page to their Comic Story commission(must be 5 pages and no less to qualify for the discount), in the amount of: Sketch comic(\$10), Colored Sketch comic(\$15), Simple Shading comic(\$20). You may choose to get a commission type for your cover page that is different from your comic pages(Ex: Painted cover page + Simple Shading Comic), but the same discount amounts listed previously will still apply.*
