In addition to the obsolete Shank and the old Catholic cemetery, we also know of the Huffman family plot, Martin Hourand's burial spot, The East Bethel Methodist Episcopal Church cemetery and a Stewart burial plot.

The Huffman was located in section 19 but the graves were moved to the Eberhard cemetery in Columbia Township.

Martin Hourand's grave was on his farm on Road 900S 1/2 mi west of St Rd 9.

The East Bethel Methodist cemetery was at the intersection of 1000S and 250W. It is reported that some of the bodies were removed to the Tunker cemetery.

The Stewart cemetery was located on the north side of St Rd 114 about 1/2 mile west of Washington Road (100W). Here too, nothing remains.
