

Privacy Policy for Dash or Die

Effective Date: 20/06/2025 (DD/MM/YYYY)

1. Personal Information

Dash or Die does not collect any personally identifiable information from users.

2. Data Collection

Currently, Dash or Die only uses Unity's built-in data collection for performance, diagnostics, and general analytics. This may include:

- Device type and operating system
- Game session duration and crash reports
- Country or region (approximate, non-specific location)

Future integrations: We plan to use Unity Ads and Unity Analytics. These services may collect additional information such as:

- IP address
- Advertising ID
- Usage patterns (e.g., gameplay progress, engagement)

Please refer to Unity's privacy policy for further details:

<https://unity.com/legal/privacy-policy>

3. Data Usage

Data collected through Unity is used to:

- Analyze game performance
- Diagnose bugs or crashes
- Prepare for future features such as ads or analytics

When Unity Ads is enabled, data may also be used to provide relevant in-game advertisements and measure ad effectiveness.

4. Data Sharing

We do not share any personal information.

Any data collected is managed and processed by Unity Technologies, as described in their privacy documentation.

We do not sell any data to third parties.

5. Data Security

Dash or Die does not store personal data. However, we rely on Unity's infrastructure and take reasonable precautions to protect any usage data collected. Keep in mind that no method of digital data transmission is 100% secure.

6. User Rights

As a user based in the European Union (Netherlands), you have rights under the GDPR, including:

- Right to access your data
- Right to request deletion or correction
- Right to object to certain processing

To exercise these rights, please refer to Unity's privacy request portal:
<https://unity.com/legal/privacy-policy>

You can also manage ad preferences via your device settings.

7. Age Restriction

Dash or Die is intended for players aged 13 and older.

We do not knowingly collect personal information from children under 13. If you believe your child has provided such data, please contact us and we will promptly remove it.

8. Policy Updates

This policy is subject to change. Updates will be posted within the app or in the app store listing.

We encourage users to review this policy periodically.
