VOREMANIAC: omg just eat him already

Kyobi rolled her eyes at her webcam while lazily raking her broad length of fox tongue across a bright pink lollipop. "You guys know how this works," she sighed. "I don't do this shit for free. You want to see me eat the freak, you gotta pay up."

XXxFoxFanXX: the goal is so high tho

VOREMANIAC: yeah how do you expect anyone to pay 200 bucks

AngrilyLLIac: What is this stream?

Kyobi stuck the lollipop into her mouth and tucked it against her cheek. The white stick stuck out of the corner of her black lips almost like a cigarette, bobbing back and forth as she lazily sucked. Rather than addressing her stream chat, she simply stared down at the little male micro that was trapped inside of a glass on her bed. A camera was pointed at him just as a camera was pointed at her. The stream could see both of them right now - her, sprawled out, a skinny barely dressed cross fox clad in a cheap white bra and panties - and him, a naked lion, one who was furiously pounding against glass.

BIG_eats: can someone donate plsssss

VOREMANIAC: i beg

AngrilyLLIac: Seriously, what? She's half naked. That guy is in a glass.

The cross fox pulled the lollipop out of her mouth with a loud *slurp* and leaned her muzzle over the glass, fixing her yellow eyes on the struggling feline beneath her. After blowing a strong gale of her warm and pungent breath into his glass tumbler of a prison, she pursed her lips.

breathboi86: is she going to spit on him

raruke_the_fluff: pls pls pls pls pls

VOREMANIAC: omgggggggggggggggg

AngrilyLLIac: Huh???

The chat's prediction was correct. Into the glass Kyobi violently spat, spraying a thick glob of sugary saliva onto the lion's sticky back. It hit him hard enough that his entire body *thumped* against the glass hard, giving the vixen's audience a delightful view of his little form compressed against glass.

theleg3nd: if you do it again ill pay u 50 bucks

Kyobi snorted and gently shoved the glass with her thumb, tipping it just enough that the sticky micro within fell onto his back. "Pay me fifty bucks now

and I'll spit again."

theleg3nd: hmmmmmmmmmm

BIG_eats: c'mon do it for the fans

AngrilyLLIac: Why would you give her money? That was disgusting.

"Plus, the fifty bucks will go toward the donation goal. And considering that we've only got twenty-one out of two hundred right now, y'know... fifty, it'd put us a lot closer to that goal," Kyobi sighed lazily, barely putting any effort into speaking while tiny screams resounded from the glass as the micro struggled to his feet.

VOREMANIAC: legend pls

MindWeb: Come on, dude, live up to your name.

AngrilyLLIac: Is she going to eat him? How is this allowed on this website?

Kyobi brought the lollipop up to her mouth and gave it a big wet lick.

theleg3nd has donated \$50!

XXxFoxFanXx: OMG YES

breathboi86: SPIT SPIT SPIT SPIT SPIT

Kyobi sighed. "That's seventy-one dollars, guys. Just 129 left." Then, indignantly, she leaned down toward the glass again and spat. This time - to give her a *little* credit - she did so with enough force that the micro once again fell to his belly, except, this time, he had a huge glob of gross frothy spit sinking into his back fur, pinning him down to the bottom of the glass.

VOREMANIAC: omg she fucked him up

Mawlord69: I dont really like spit tbh Im just here for the vore

sunesoul: How can you not like spit?

Mawlord69: IDK it's just kinda gross I guess

BIG_eats: if ur here for the vore then you should donate \$129 so she eats him

Kyobi glanced over toward the wall tiredly and shoved the lollipop into her mouth again. While slurping on it she also rolled it against her teeth, producing an entire series of grating noises for her stream chat to 'enjoy'.

Mawlord69: I dont have that kinda cash

XXxFoxFanXx: i don't get paid until tomorrow

AngrilyLLIac: You guys, you shouldn't be eating anyone. This is horrible.

“Can someone ban Angry Lil... Lyle...” Kyobi grunted and set the lollipop between her molars, bringing them down against it like a vice. “Whatever. Can someone ban the angry idiot, please?”

BIG_eats: yeah someone ban the idiot please

ol_smoky_jones: where stompfan at?

VOREMANIAC: lol lylliac if you dont like it go to a different stream

XXxFoxFanXx: this isnt even the worst one ayla paid for a stomach cam recently

VOREMANIAC: YA I SAW THAT you could see them melting

AngrilyLLIac: WTF???

Mawlord69: Yeah, her streams are dope. Shame shes not been online recently.

XXxFoxFanXx: she was streaming every night wonder what happened to her

Kyobi bit down on her treat, shattering it into many crunchy pieces inside of her maw. “Guys, no talking about other streamers,” she mumbled, chewing loudly as she pulled the slimy lollipop stick out of her maw. “This is my stream, alright? I don’t give a fuck about Ayla.”

XXxFoxFanXx: omg shes chewing

BIG_eats: kyobi should get a stomach cam

breathboi86: she could afford one for 200 bucks

sunesoul: Imagine Kyobi investing in her stream instead of in booze and cigarettes.

AngrilyLLIac: This is awful. I’m reporting this stream.

VOREMANIAC: why hasn’t this clown been banned yet

azin_SHA: mods asleep lol

“Am I going to have to ban this moron myself?” Kyobi sighed as she swallowed her chewed up load of lollipop. As it slid down her throat, she leaned into her laptop and slammed her fingers down on the track pad. “Seriously?”

XXxFoxFanXx: omg she just swallowed

VOREMANIAC: wish that were me

 **STOMPFAN**: I was taking a piss I just banned them

Kyobi threw her hands up in the air away from the laptop and brought them down against her muzzle, squeezing it. “For fuck sake, Stomp Fan,” she grunted through a tightly sealed maw.

 **STOMPFAN**: Sorry

VOREMANIAC: lmaoooooooo

BIG_eats: stompfans tiny bladder turning up again

sunesoul: Lol, worlds smallest bladder.
boneymcbone: like fifth piss this stream
ashnon: unbelievable

Kyobi looked down at the glass. At the struggling little micro within. Still clodded up with saliva, he had dragged himself to the front of the glass. Mindlessly, stupidly, pointlessly, he was still pounding against it with both fists, attempting to appeal to an audience that simply did not care in the least.

👑STOMPFAN: I can't help it.
BIG_eats: look at this dude screaming lol
MMOJames95: Hey does anyone want to check out my gaming stream
Sunesoul: Micros are so boring.
XXxFoxFanXx: idk they're kinda cute lol
Mawlord69: You should do more variety content, Kyobi.

"Guys," the vixen sighed as she unclasped her paws from her face. "If someone doesn't donate soon, I'm just gonna eat this guy off stream."

XXxFoxFanXx: noooooooooooooo
VOREMANIAC: pls just wait someone will donate soon
moneybags: hey guys what's up
breathboi86: omg right on time
VOREMANIAC: moneybrooooo

Kyobi lifted her eyes to the ceiling and clicked her tongue, once again flicking the tumbler. This time, the micro slid away from the front, hitting the back of the glass with a squeak.

moneybags: what's the donation goal? wanna see a cute vix eat a scumbag

Mawlord69: Like 130 bucks.
xXxFoxFanXx: 129 bro
VOREMANIAC: 129
breathboi86: 129
sunesoul: 129
BIG_eats: 129 PLEASE ITS ON THE SCREEN
moneybags: ok ok ok ok calm down

Kyobi smiled down gently at the wet mass of fur struggling at the bottom of the glass. To her, he looked like a wet piece of lint - like something that had fallen out from between her toes after wearing thick socks on a hot summer's day.

moneybags has donated \$129!
VOREMANIAC: LETS GO

xXxFoxFanxXx: omg omg omg
boneymcbone: moneybags comes through AGAIN
BIG_eats: stream hero
moneybags: :) bon appetit

“Finally,” Kyobi sighed impatiently as she set her hand around the rim of the glass, flicking it so that the sticky micro rolled into the very center of it’s base. “Take one last look at him, folks.”

Breathboi86: don’t care just eat
sunesoul: C’mon, stop stalling for more donos and eat him already.
VOREMANIAC: eat eat eat eat eat eat eat eat

The micro - small, pathetic, and covered in a thick smother of pungent fox drool - looked toward the camera, horrified. Toward an audience that he knew was there, he screamed for help, for mercy, for anything that resembled aid.

Mawlord69: Lol love it when they scream
sunesoul: Imagine being a micro lmao. Pathetic.
breathboi86: still don’t care

“Help!” the micro screamed, his voice inaudible through the glass, but his horrified and saliva saturated expression clear. “Please! Fuck! Help me!”

VOREMANIAC: okay enough fucking around get on with the show
BIG_eats: commence the noms
breathboi86: LITERALLY don’t care just eat him

Kyobi lifted the glass up to her lips. The micro - still screaming - was tipped out of the glass and into mouth. The vixen made no display of showing him in her maw or even in pushing him against her cheek. The only thing that she gave her vested audience was a swallow. A bulge that traveled down her neck and disappeared at her bust line.

Mawlord69: Amazing.
breathboi86: finally
VOREMANIAC: so hot
xXxFoxFanxXx: perfect
BIG_eats: dinner has been served

Kyobi belched unapologetically as she felt the micro make his landing inside of her stomach. “If you want the digestion audio, I’ll be selling that for fifteen bucks,” she rumbled with a wave of her hand. “Pay thirty and I’ll throw in what he sounds like coming out, too.”

ol_smoky_jones: that micro was annoying lol

Sunesoul: Yeah, hope the next one does something better than just scream.

xXxFoxFanxXx: wait is it over?

BIG_eats: can't we listen to him digest a little? pls?

VOREMANIAC: c'mon plssssssssssssssssss it's been like one second

Kyobi lazily waved one-handedly at the camera while her other paw swung her mouse cursor over to a big blue button that said '*end stream*'. "Alright," she said, "show's over."

xXxFoxFanxXx: noooooooooooooooooo

Mawlord69: Guess I just lost thirty bucks.

BIG_eats: omg

KyoBITCH has ended the stream
