# How to join Zoom meetings

There are multiple ways to join a Zoom meeting. The information below shows you how to join a meeting in different ways. **NOTE:** For best results sign in to the Zoom Chrome app prior to joining a meeting.
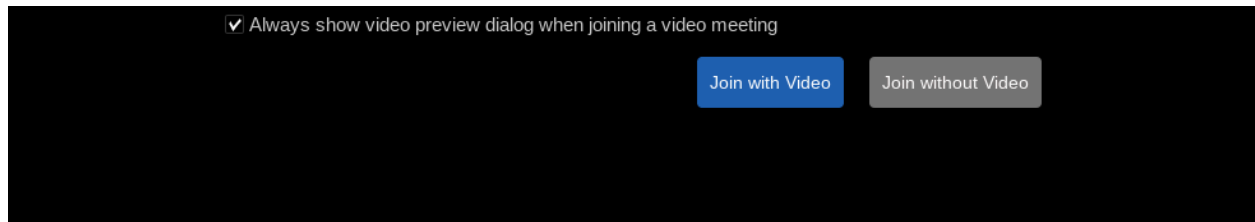

Click the meeting link.

The most common way to enter a Zoom meeting is to click the link provided by the meeting host.

1. **Click the link provided by the meeting host.**
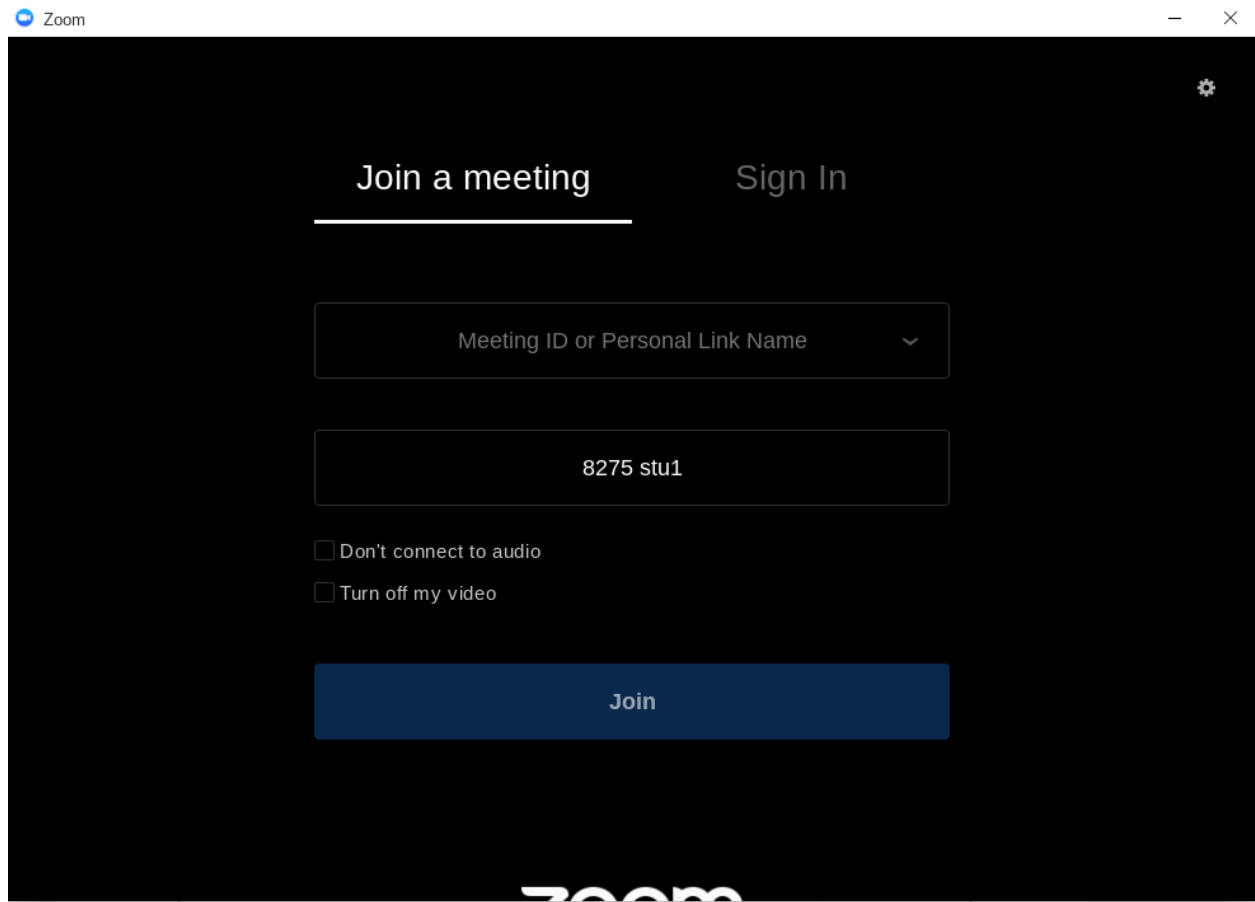

2. **The Zoom Chrome app will open and ask for the password**

3. **Enter the meeting password. Click the Join button**
4. **Choose to join the meeting with your camera on or off**

☑ Always show video preview dialog when joining a video meeting

[Join with Video] [Join without Video]

Enter the meeting ID in the desktop app

1. **Open the Zoom Chrome app**
2. **Click the Join a meeting tab at the top.**
