10 years ago, Emily Hanson lost her memory. Now she's unable to remember anything that happened to her before her twentieth birthday. However a chance discovery awakens her vague memories and Emily travels to the mysterious town of Riverside to search for her past.

Unravel a tangled web of love, jealousy and crimes committed by a mad genius! Venture into Riverside, a town abandoned by humans and now populated by the unusual creations of the mad genius. Uncover the truth about the past and shed light on the reasons as to why all of the humans fled the small town in panic.

Discover the secrets of Riverside, the abandoned town without memory. Save your love and avert the catastrophe facing the doomed town!

Features:

- Interactive map to help move around quickly
- Unusual gameplay elements available!
- Discovered memories can be replayed at any time
- Explore 50+ beautiful locations!

The screenshot shows a detailed, cluttered workshop environment. On the left, there's a wooden workbench with various tools like a saw, a hammer, and a red string coiled on it. A red string is also visible on the floor. In the background, there are shelves filled with books and a hanging plant. The interface at the bottom features an 'INVENTORY' bar with a red string icon, a 'MENU' button, and a 'HINT' button. A small red dog character is visible in the bottom right corner.
