

Trivial Pursuits?

You and possibly a partner(s) have been assigned to analyze **one** American history textbook during class today. Some of the tasks assigned to you will seem rather tedious, but you must be absolutely accurate in your efforts because your work will be compared to that of your peers, and you may be asked to present in front of the entire class.

Textbook Title:

Author(s):

Publication Date:

Publisher:

Now, using the **index** (most likely) and/or the table of contents, please look up the following events, movements and/or historical characters below. NOTE: if you are struggling to identify any terms, you may use The Google.
