

Orientation and Mentorship of new ministry leaders / New Leadership Report 2024

We glorify our Lord and Savior for the task of encouraging and mentoring new ministry leaders. Here are the things we did in 2024.

- Had a lunch meeting with Amel Dominguez new pastor at First Baptist Church of Haleiwa. Prayed for him and his family. In talks with Amel, found out that he was interested in teaching at Oahu Bible Institute. Amel is now teaching a preaching course for OBI this fall semester.
- Had meeting with Alberto Camacho new pastor at Kalihi Baptist Church. In our meeting, we talked about how we can work together in the ministry. Kalihi Baptist, Fellowship Baptist and Living Faith conducted a joint VBS in July. Praise the Lord, 30 children received Jesus as Lord and Savior.
- Met with Eddie Hunt pastor at Malama Christian Fellowship. Oahu Bible Institute conducts two classes every Saturday to help his members grow spiritually.
