

we have added UR version cumulative recharge packages of 58, 108, 308, 508, 808, 1088, 3088, 5088, 8088, 10888, 15888, and 20888, to give back to users for their support of the game. The original cumulative recharge still exists, which means that you can receive 2 cumulative recharges at the same time. Please note that if the original recharge amount of the account has reached or exceeded the standard, you only need to recharge once to trigger it. The cumulative recharge and mall gift packages will also be continuously updated, so please stay tuned.
