To raise your grade up to a maximum of 70%, you need to record four different components for each incorrect question:

- 1) The original question
- 2) Your incorrect answer
- 3) The correct answer to the question
- 4) Where you can find that correct answer

Example question correction
<b>Question (# and prompt) -</b> #1: _____ is the study of the past through excavations and analysis of material remains.
<b>Incorrect answer -</b> B) Historiography
<b>Correct answer -</b> A) Archaeology
<b>Where did I find the answer? -</b> I found this answer in my Archaeology Challenge & Intro to Unit 1 note packet

You have 1 week to complete your quiz/test corrections once the results from your quiz have been posted. Quiz/test corrections may be completed either at home or during office hours. Once you have finished your test corrections, email your corrections to your teacher.
