👋 Hey Rahul,

Yesterday I saw your company's ad on Instagram and signed up to your email newsletter, as a social media consultant and email copywriter, I think your email newsletter can be improved by using the 5 strategies that Big players in your Industry Such as (Muscle Blaze, Optimum Nutrition, My protein) are using to boost their sales.

Using those 5 strategies will massively boost your business revenue.

Would you be down for discussing the 5 strategies on a call on Thursday this week?

Best Regards,
Aviral
