

Dear Parents and Families,

I hope everyone has enjoyed the holiday break and is rested and rejuvenated as we prepare to resume instruction tomorrow.

The new year is an excellent time to set goals and commit to making positive change and I hope everyone is excited, motivated, and ready for what will surely be a productive year of growth and achievement.

As you know, full remote learning is in place in all schools and at all grade levels until at least next Friday, Jan. 8. We continue to monitor data including COVID-19 infection and hospitalization rates and I will have more information later this week about the plan and timeline for bringing hybrid students back into our buildings. It is possible we will remain fully remote beyond Friday, Jan. 8.

Also, remember that there are no classes this Wednesday, Jan. 6, as we celebrate Three Kings Day.

As we all know, 2020 was extremely challenging and I will always appreciate how school staff and families worked together to ensure quality learning experiences for all students. The new year brings new challenges but I am confident the partnerships we have built will continue to bolster and benefit all students during the months ahead.

Again, welcome back!

Sincerely

Matt Geary

Superintendent
