

DONATIONS:

It's with a heavy heart that I inform you of the death of our beloved Heaven, who has since left us on June 7th, 2025 due to medical complications. May they continue to rest safely and soundly within their namesake where they belong, as we remember them for the spirited, kind hearted, and brilliant individual that they are. Of course, no words could ever truly describe and encapsulate just how wonderful they are, and how deeply they have changed the lives of many for the better, with one keysmash full of out of place emojis and stickers, one beautifully worded drabble, and one art piece at a time.

The world lost another beacon of light, as their namesake has gained another angel. Yet even so, we hope that you could remember fondly the smiles and laughter that they have brought into your life.

We also ask for you to keep their remaining family in your thoughts. Currently, their family has to shoulder expenses over PHP 500,000 (almost \$9000 USD and \$12,000 CAD). As such, we'd like to request for your assistance in spreading this post around to aid their family with raising the necessary funds to cover Heaven's medical and funeral expenses.

Any and all donations would be very much appreciated and welcomed. Let us do our best to assist their family the best we can, so that they may grieve in peace.
