The last payment can be different if you participate in any of the fundraisers. We apply 100% of what each kid makes towards their own club fees.

Payments are due at the 1st of each month. Dues that are past due or late (without prior communication or arrangements) will be assessed a late fee of \$50 and may impact the players ability to practice and play. Please be sure to communicate with the club director, if you encounter issues, as we understand life happens and maybe able to work with you on special arrangements.

Do to expenses incurred at the beginning of the season for all players uniforms, member registration, insurance, coaches, use of gym facilities and tournament registration, refunds will not be allowed after the team has formed as we work quickly to ensure all the agreed upon activities:

As a reminder club dues do not cover the following costs:

- Spandex
- Socks / Shoes
- Knee pads
- Player and parent travel related expenses to and from tournaments
- Meals
- AAU Membership (up to date ,must have before tryouts)

Club Rampage is not responsible for any team that travels for a tournament. That includes hotel rooms, rental cars, and meals.

I understand I have read the financial agreement and agree to pay in full with good faith.

I understand that refunds are not available after 3 days following commitment night because the club will move forward quickly with all expenses necessary to form my player teams and I am fully responsible for complete payment should I leave the club for any reason.

I understand a \$50 late fee will be assessed for payments received more than 10 after the due date.
