"Fly, Dragons !! Show Them What We're Made Off"

Garth giving command to dragons to assault Ancient Dragons

Garth is a dragon with Grey skin and minor character in Wizard of Mickey series. He is actually one of high general in dragon race but he is spending most times on dragon's fortress and leave the relationships between dragons and wizards to Magma Fire Dragons (Zefren, Zaius, and Zoron)

Personalities and Abilities

Because he doesn't appear much in story, there is little to known about his character. But during arc 2, he appears as an elite general that even Zaius give respect to him.

During the assault to Ancient Dragons, he suggests Mickey and friends to let through at the cost of his friend's distraction and sacrifice, which Mickey refused. This basically show that he prioritize to get an objective and taking risk with his friend or his own life.

Garth's abilities are also pretty much similar to other dragons which fighting with fire breath and flying through sky. Although it's said that he can fly faster, allowing WoM team to break through Ancient Dragon's fortress
