

LBCC TechConnect Zoom

ZOOM CANVAS INTERFACE HELP GUIDE

STEP 1: TechConnect Zoom Link in Canvas Course Navigation

STEP 2: Authorize Your TechConnect Zoom Account In Canvas

STEP 3: TechConnect Zoom Interface In Canvas

STEP 4: Schedule a New Meeting

STEP 5: Edit an Upcoming Meeting

STEP 6: View Scheduled Meeting in Canvas Calendar

STEP 7: Change or Adjust Your Settings in TechConnect Zoom Sub-Account

STEP 1: TechConnect Zoom Link in Canvas Course Navigation

Once the migration is completed, a new link to TechConnect Zoom will be automatically added to the course navigation in each course.

TechConnect Zoom

STEP 2: Authorize Your TechConnect Zoom Account In Canvas

When you click on **TechConnect Zoom** link you will be asked to authorize the account. This step will connect your Canvas account with Zoom account allowing you to schedule your meetings within your course. You will need to do this authorization once.

Click **Authorize**.

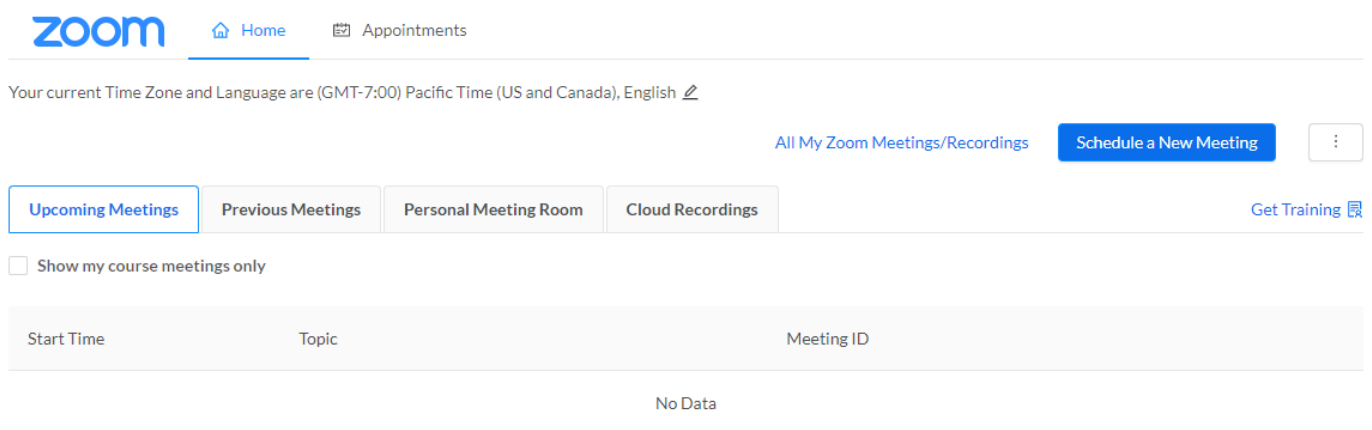

STEP 3: TechConnect Zoom Interface In Canvas

Once you authorize the account, you will have access to TechConnect Zoom account in Canvas.

The interface is almost identical to the interface you used when you logged in Zoom via the web.

The TechConnect Zoom dashboard will show all upcoming and the previous meetings that you have scheduled for your class. If you set up cloud recordings all recordings for this class will be under Cloud Recordings.

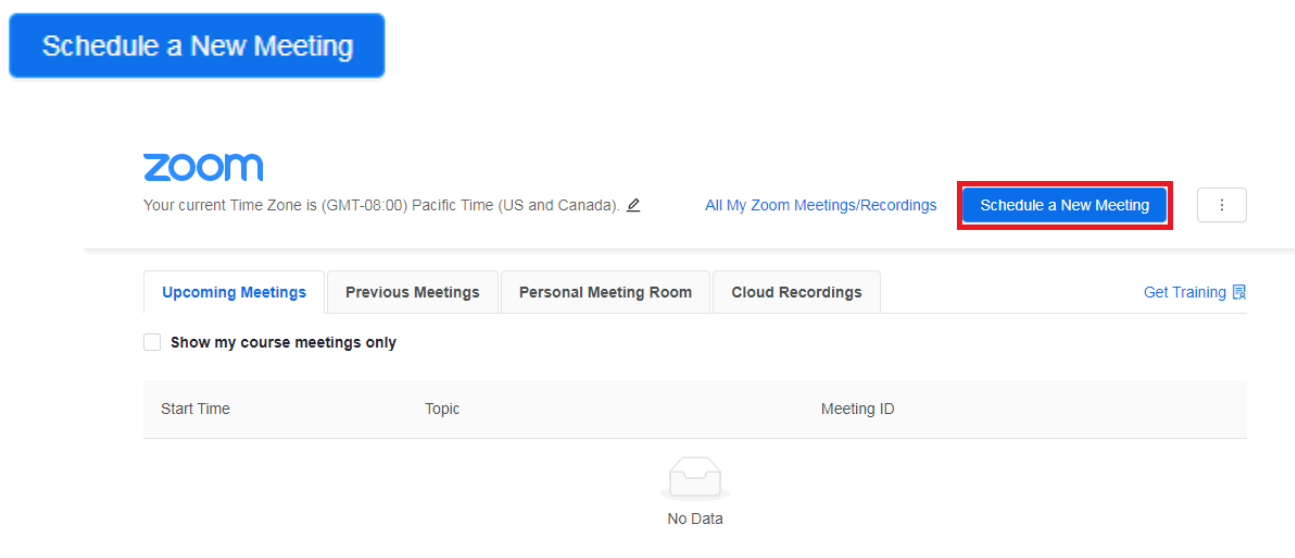

- **All My Zoom Meetings/Recordings** – view all your upcoming and previous meetings as well as cloud recordings
- **Schedule a New Meeting** – to schedule a new meeting
The default settings in your Zoom account will apply to all scheduled meetings/classes.
- **Import a Meeting (icon with 3 vertical dots)** – to import a meeting previously set up with ConferZoom
- **Upcoming Meetings** – displays all scheduled events
Launch the meeting by clicking the 'Start' button.

- **Previous Meetings** – displays previous events
Meetings will appear on this page after the scheduled end time.
- **Personal Meeting Room** – this is a quick launch meeting
It is your 24/7/365 open room.
- **Cloud Recordings** – displays all cloud recordings when processing is complete
- **Get Training** – links to free and interactive live training webinars offered daily
<https://support.zoom.us/hc/en-us/articles/360029527911>
- You can also watch recorded training sessions. Go to the following link and select any session.
<https://support.zoom.us/hc/en-us/articles/217214286-Watch-Recorded-Training-Sessions>
- **Appointments Tab - New** interface where you can create schedules with dates and time slots that people can book to meet with you. Note – Appointments **do not** appear on student or faculty calendars. You can learn more about this feature here: [TechConnect Zoom Appointments](#)

STEP 4: Schedule a New Meeting

To schedule a new meeting, click on **Schedule a New Meeting** button.

Enter the name of the meeting, then add or customize any meeting settings and select **Save**.

Scroll all the way down and click on **Edit this Meeting** button.

[Delete this Meeting](#) [Edit this Meeting](#) [Start this Meeting](#)

The meeting will open. Make your changes and then click **Save**.

You can start the meeting right away or go back to the TechConnect Zoom main page or simply click on any link in your course navigation menu to continue working on your course.

STEP 6: View Scheduled Meeting in Canvas Calendar

Once any meeting is scheduled it is automatically added to your Canvas calendar.

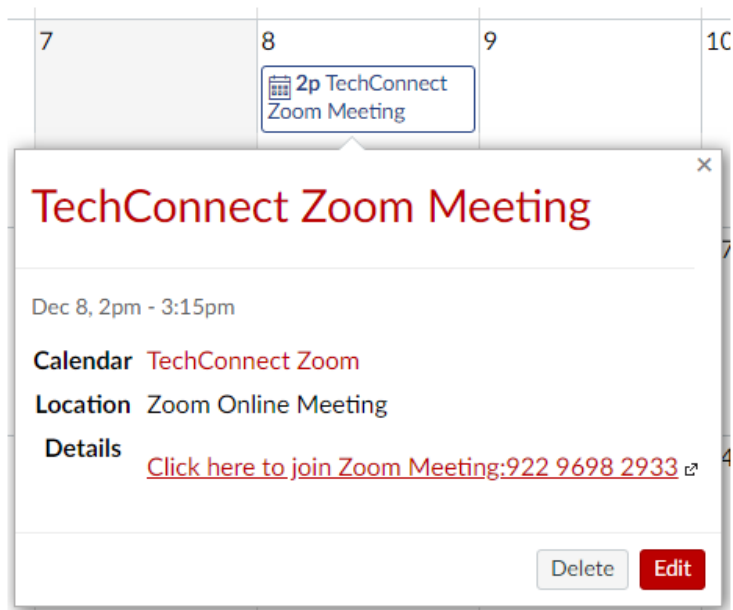

Click on **Calendar** icon in the global navigation (left-hand side menu)

or click on **View Calendar** or the name of the meeting (right-hand side) in the **Coming Up** column on the home page.

Once the Canvas Calendar is open, click on the event to view the details and join or edit/delete the meeting.

Note: Students can access the meeting from Canvas calendar or the TechConnect Zoom dashboard.

TechConnect Zoom Dashboard - Student View – click **Join** button.

Your current Time Zone is (GMT-08:00) Pacific Time (US and Canada). [🔗](#)
