Edgenuity Redo/Retake Policy

Mastery Assessment Preparation (MAP) Assignments

- MAP assignments are **not eligible for redo or retake**. In general, warm up assignments, unit assignments, summaries, and quizzes are considered MAP assignments in Edgenuity.

Mastery Assessments

- If a student earns “Advanced” (which is a letter grade of “A”) on a mastery assessment, they are not allowed to redo/retake it.
- With a few **exceptions***, students may redo/retake a mastery assessment once within a week of the assessment due date.
- In order to be eligible for a retake, students must submit their Guided Notes (all core subject areas.) In subject areas without Guided Notes, students must submit detailed notes from the unit as assigned by their teacher.
- If a student has not demonstrated a “Basic” level (which is a letter grade of “C”) on a mastery assessment after the second submission, the teacher and student will work together to find an alternate assessment or intervention/remediation strategy.
- If a student does not submit a mastery assessment by the due date, they may turn in/take the mastery assessment once within the redo/retake submission timeline.

- The highest grade between the original assessment score and the redo/retake score is the grade that will be recorded.
- Any exceptions to the redo/retake window or number of attempts (i.e. through an IEP, 504, or other extenuating circumstance) does not need to be explicitly stated in the school-wide grading policies.
- Mastery assessments are not available for redo/retake after the final deadline set for all assignments to be turned in within a semester (For the 2020-2021 school year, December 11 for first semester courses, and May 21 for second semester courses.) Mastery assessments are not available to be redone or retaken after the end of the semester.
- The final mastery assessment(s) in a semester is not available for redo/retake. This includes, but is not limited to: the final exam, final project, final essay, and/or final performance task.

***EXCEPTIONS**

- Redo/Retake is **not available** for any mastery assessments for the **first two units of each course** until after published dates:
 - Semester 1 Mastery Assessment retake dates for Unit 1 and 2 tests ONLY:
 - October 12th through October 16th, 2020
 - Semester 2 Mastery Assessment retake dates for Unit 1 and 2 tests ONLY:
 - April 5th through April 9th, 2021
