

THEME 2: FARM ADVENTURE ぼくじょうのぼうけん bokujoyou no bouken

Description of the Learning Activities and Video Scripts

1. Watch and Learn みてまなびましょう mite manabimashou

Students watch educational video segments covering key topics in this unit. The main character, Mishka, teaches them new vocabulary and concepts during her adventure. Students are encouraged to repeat the words out loud to practice proper pronunciation and read along with subtitles. For additional reading practice, students at the advanced level can turn off the sound and read the subtitles on their own. Beautiful, real-life visuals help students comprehend the new vocabulary and learn new academic concepts.

Mishka wakes up on the playroom floor in a pile of toys. She looks at the students and begins talking to them.

MISHKA:
