## Committee Activity

### Recently Completed Activity

- Canceled last general meeting as the only agenda item was the election and we realized that we needed to have a vote since we had 2 one-year term positions
- Election Committee met on June 6th to discuss Election Buddy setup and other open items
  - -Reviewed the Election Buddy setup (thank you Jeremy!)
  - -Reviewed next steps
- Next Steps:
  - Jeremy - Add intro text for the top of the ballot, check to make sure that people can't win both two-year term and one-year term, also check to see if we can have 1-email per ballot and one use for security
  - Kevin - Added access for your other email address to access the registrant proof of residency folder - Please update latest registrants and send a notice when they are updated
  - Cristina - Review voter validation list, and send reminder email to existing voters to validate their registration

### Upcoming Activity

- Election Committee Prep Meeting & run through - June 19th at 6 PM
