

Arrival and Dismissal

Arrival

- The drop-off area for Southridge is on Knollwood Avenue. Students arriving before the first bell should go down the hill to the playground or use the recess doors to come in for breakfast.
- Playground supervision does not start until 7:45 a.m.
- Breakfast is served starting at 8:00 a.m.
- Drop-off area reminders:
 - Watch carefully for other children. Students can dart between vehicles quickly and can be hard to see in tall vehicles or blind spots.
 - Do not leave your vehicle in the drop-off area. If you want to escort your children to the playground, please park in the parking lot.
 - The parking lot should not be used as a drop-off location.

Dismissal

- Students being picked up or walking home will be dismissed at 3:30 to designated locations. Bus and van riders will go to the bus stop to wait for the bus. All other classic K, kindergarten, and first grade students should exit through the lower south doors on 29th. Other second and third grade students exit through the upper south doors on 29th, and other fourth and fifth grade students use the Knollwood exit.
- The parent pick-up area for kindergarten and first grade is on 29th Street. Second-fifth grades will dismiss on Knollwood. Siblings can stand together for a single pick up location. Please work with the teachers to arrange the spot.
- The parking lot should not be used as a pick up location unless you are parked in a marked spot.
- Do not park in crosswalks. You will be creating a safety hazard for small children crossing the street. Please be alert for students crossing and loading vehicles. Please do not load in the bus zone.
- All traffic laws are expected to be followed. Our local police department addresses traffic violations that occur during dismissal and at other times.
- If you need to enter the building, please use the front door.

Bicycles and Skateboards

Students should follow all traffic laws and should cross streets at designated crosswalks.

Students should dismount their bicycles/skateboards at the sidewalk on 29th Street or Knollwood Avenue. Bicycles are to be placed in the rack provided on the south side of the building. Locks are recommended. Skateboards used for transportation should be checked in at the principal's office.

Bus

Bus rules are given to students when they receive authorization to ride the bus, and rules are located in the Natrona County Schools' Parent Handbook. Please note:

- The bus stop at Southridge is located on Knollwood Avenue in front of the back doors to the school.
- Please do not block the bus stop at any time.
- Wyoming state law forbids passing a stopped school bus with red flashing lights.
- Bus misconduct consequences are set by the district, and students can lose bus transportation after several incidents or one major incident.
- All school and transportation rules apply on field trips.
