

Yeah!
I Don't Work
This Hard To Be Around
People I Don't Like
Uh Yeah!

Gotta Be A Special Type
Nigga To Deal With My Life
Gotta Be A Special Type
Nigga To Feel What I Write

Special Like My Classics
Special Like My Listeners
Who Have Attachments
To My Old Style Won't Let Me Past It

I Don't See The Point With Weak Sayings Like
All Them Niggas On Top Be Blockin
Or Never Help Man Stop It
It's Hard Watching Brothers Who Smart But Think They Not
I Need Them To Realize What They Got Is A Fresh Start
That Brother That You Claim So Powerful
The One You Said He Has A Whole Lot Of Pull
Probably Already Tried To Pull His Brothers Up

And Got Betrayed Got Snaked Got Played
Meanwhile He Balance His Challenges
Hard To Keep Himself Paid
It's So Hard For Him
Even Though His Talent Is God Given
Pardon Him Stop Putting Your Faults On Him

What He Did To You Now
The Man In Him Is Bringing The Kid In You Out
You Kid Him He Still Playin' The Victim You Weirdin' Me Out
That's What My Perspective Is Maybe Cuz I'm A Specialist
Sippin' Mixed Liquor Beverages 6 Figure Checks Are Big
But 8 Figure Checks And You Rich
The Nas Enthusiast Thinkin' They Know What's Best For Me
More Than I Know What's Best For Me No Rest For Me

Gotta Be A Special Type
Nigga To Deal With My Life
Gotta Be A Special Type

Nigga To Feel What I Write

Special Like My Classics
Special Like My Listeners
Who Have Attachments
To My Old Style Won't Let Me Past It

I Should'a Had Grammys When Ol Dirty Said Wu For The Children
Should'a Did That Remix Verse On Gimme The Loot For Biggie
Me Jay And Frank White Is Like Cole, Drizzy And Kenny
One Girl For The Rest Of Your Life Is That Realistic
Some Had Told Me They Like When You Call 'Em All Type Of Bit*Hes
Ran Thru A Few Of Them Some Gangsta Some Christian
Some With A Heart Full Of Hate For Me Even With A New Nigga
They Label Me A Sinner Because I Left With They Soul
There's Really No Other Feeling Having That Type Of Control Nigga
