MAP Proctoring Resources

Below are helpful links and resources to assist with MAP training and testing on your campus. MAP resources are located under the help menu on the dashboard.

Helpful links

Teach.mapnwea.org

- Teacher login to MAP (Username is your PISD email, Password is generated by the user)

Map Introduction Video

- Video 3 min

Practice.mapnwea.org

- Demonstration site to familiarize proctors with the types of questions and available tools.

Studentresources.nwea.org

- What's This Test About Video (4 min)
- Explore Tools (highlighter, line reader, notepad, eliminator, calculator, ruler, protractor)
- Get Ready for the Test Video (2 min)
- Test Demonstration

Set Up Testing Session

- Interactive Video 5 min
- Scenario ***Create Testing Session***
- **Pasadena ISD Protocol**
  - ***Teachers*** will proctor.
  - Testing session will only be created with the ***Find Students to Test.***
  - PISD students are imported into MAP nightly.

PASADENA INDEPENDENT SCHOOL DISTRICT

- Assigning accommodations will be determined as a district.
- Follow district naming convention.

Campus #	Subject Initial	Grade	Proctor Initials	Period
731	m	7	ds	7

Example Test Session name → 731m7ds7

Proctor Quick Start
- Interactive Video 11 min
- Overview provides the BIG picture
- Exit a testing session on Chromebook
  - **Shift+Alt+K** *Before you go away*
- **Pasadena ISD Protocol**
  - Teachers should be actively monitoring students.
  - After testing, delete the test session. This does NOT delete results, but allows you to pull any unfinished students into a make-up test session.

Interrupt & Continue Testing
- Interactive Video 4 min
- **Pasadena ISD Protocol**
  - Proctors need prior approval from the campus MAP Coordinator **prior** to terminating a student's test.

Make-up Testing
- Video 2 mins

Remote Testing Resources

MAP Help Center
- Access all Video Tutorials & Print Materials
