## **Committee Expectations**

What you can expect from us, and what we ask of you...

What you can expect from us...

- A confidential, safe community of Christ-followers to serve and grow alongside
- A committee chair and Area Director who will connect and support you as you flesh out and put into action your ideas to support our Area.

What we ask of you:

- ☐ Commit to regularly pray for our Area
- ☐ Be actively pursuing a relationship with Christ
- ☐ Consistently attend meetings (we meet monthly on the second Tuesday evening of the month).
- ☐ Take an active role in a task force/subcommittee to support the local Young Life area. Select a core role that you focus on throughout the year. Each person “owns” that area of Area support in that the rest of the committee can help them execute the plans and help find resources, but YOU are responsible for making sure the wheels keep turning on your ideas/plans and that your high-level plan is shared with AD/CC.
- ☐ Participate in the Area by doing the items listed on the Committee Immersion doc.
- ☐ Invite your network to join our Area in the work we’re doing (help connect potential volunteers, help connect potential committee members, invite people to fundraisers, share resources YL has to support your friends, etc.)
- ☐ Promote Young Life in the Community
- ☐ Care and Support our local Young Life staff, and show appreciation to our volunteer leaders and staff throughout the year.
- ☐ Financially support our Area
- ☐ Look for and pray for prospective volunteer leaders and committee members
