Request for donation to Construct a house of Worship at Karagalya – Uganda

Praise God!

About Us
We are a Christian Faith Based Organization (FBO), Pentecostal Church started in February 2018. Our main aim are:

(i) To encourage lost or undecided Christians to return back to Christ and start attending Christian fellowships,
(ii) To convert pagans or non Christians to Christ, and
(iii) To continue with the unfinished ministry of Christ of preaching, healing and delivering children of God from various sicknesses and bondages. And we based our gospel on the five main Powers of Christ such as:

a. Power of blood,
b. Power of resurrection,
c. Power of cross,
d. Power of name, and
e. Power of words.

For detail you can see our statement of faith attached herewith.

We have our own land in Karagalya village, one of the remote villages in Kiryandongo village, Mid-Western Uganda. Because of our low income, we started the church using turpline as the roof, later we built a temporary shade made of eucalyptus pillars and iron sheets. Unfortunately the poles were eaten by termites and early this year during winter, wind blew the shade and collapsed.

this is the shade that was eaten and destroyed by termites that eventually collapsed.

We laid and burnt 6,999 bricks to help in construction.

Challenges;
It is difficult to fellowship in the open place as at times we are disorganized by rain, wind, sunrays and passerby or any slight outside activities divert attention of congregation making them not to understand the word of God. Some Christians shy off from attending fellowship.

Re-roofing would be an option, but still it will be eaten by termites and collapse so we thought of building a wall so that we can have a semi permanent building. And since we don't have sufficient funds, we wanted to build the wall with mud mortar and burnt bricks as shown below.

each time it rain, wall collapses. So our effort is frustrated to raise the wall due to rain water that dissolve the mud mortar making the wall to collapse.

We don't have the money to acquire materials as listed in the extimated Bill of Quantity below to help us build a decent permanent house of worship. Currently in near future we cant raise the funds that can help us build a decent permanent building that is why we are extending our humble request to any Samaritan to help us build a place of worship by supporting us in any way.

Brief Description of the Building
The building is measuring 10 meters by 20 meters so that it can cater for future expansion or growth of the church. We plan to build it with burnt bricks and use brick pillars instead of reinforced iron bars. It will be a single room without partition. Two doors with one door for congregation and one door for the priest and his roup. There will be 7 windows.

We plan to install solar system since there is no electricity power gried in the area.

Below is estimated construction cost:

No.	Particulars	Unit	Qty	Rate	Amount UGX	*Amount USD 3500 UGX = $1*
	Foundation					
1	Ground levelling, measuring, excavation and backfilling				200000	*57.14*
2	Coarse aggregate	Trip	3	250000	750000	*214.29*
3	Out Sand	Trip	3	60000	180000	*51.43*
4	Burnt Bricks	No.	2000	200	400000	*114.29*
5	Cement	Bags	15	30000	450000	*128.57*

39	Paint Brush and handle	Pcs	4	8000	32000	***9.14***
	Sub Total				**997000**	***284.86***

Summary BoQ

Particulars	Amount in UGX	***Amount in USD***
Foundation Works	1980000	***$565.714***
Walling	3897000	***$1113.43***
Roofing	3982000	***$1137.71***
Doors and Windows	1650000	***471.43***

Plastering	1922560	***549.30***
Solar System Installation	2692500	***769.29***
Paints	997000	***284.86***
Material Cost	17121060	***4891.73***
Labor Cost - 30% of material cost	5136318	***1467.52***
Transport - 5% of material cost	856053	***244.59***
Oversight and Miscellaneous - 1% of material cost	171210.6	***48.91***
Grand Total	23284642	***$6652.75***

Drawn by the Church Construction Committee

NB:

1. The church will also help in bush clearing, water, food, wheel barrow, spades, hoes and other basic tools for construction.
2. As mentioned above, we already have 7,000 burnt bricks and we shall help in other works which are not technical in nature.

Request for 6,652 USD:
We humbly request any Samaritan to support us with either money or materials, or labor. You will not only be supporting construction works but also saving a thirsty and suffering soul. May the Almighty reward you abundantly as written in the book of Colossians 3:23 "And whatsoever ye do, do it heartily, as to the Lord, and not unto men; Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ."

Gift:
For any donation, we shall send a soft copy of our self-help book titled "Silence My Enemies".
