Come one, come all, to Secret Santa!

If you're here, you probably know what Secret Santa is already, But I'll explain it!

Each Sharder will be given another Sharder to give a gift to. In return, someone will make you a gift as well. This gift doesn't have to be amazing, shocking, or even *good*, this is just for fun!

Some ideas include:

-Art

Fanfiction

-Poetry

-Wallpapers

-Song parodies or carols

-Any kind of lit literature!

~~-A picture of a really delicious piece of cake~~

These are just some brainstorming ideas, but you can do anything! Please, no plagiarizing.

Keep it original and appropriate (just follow the rules of the Shard and you should be fine).

It doesn't have to be Sanderson themed, but anything Cosmere/Other Brandon books is 100% welcome! (but unless otherwise stated, try to stay away from Cytonic spoilers)

I (Hen) made an example of something I would make! It doesn't have to be like this at all, it's just an example!

Please don't tell anyone who you are given, as it's supposed to stay secret! We will do a reveal at the end! Gifts will be given on christmas day (This will be more specific when I send out the PMs)

Sign up (~~cause I'm all lonely~~):

If you're willing to participate, Please put your name here! (Sharder names please. If you're an Ookla please use that name too so I can tag you!) Sign ups (For now) close december 10th so I can send out the lists. Be sure to include some stuff you like—and, more importantly, stuff you *don't* like.
