

Writing

W.K.3

Use a combination of drawing, dictating, and writing to narrate a single event or several loosely linked events, tell about the events in the order in which they occurred, and provide a reaction to what happened.

Grade K

Score 4.0

In addition to score 3.0 performance, the student demonstrates in-depth inferences and applications that go beyond what was taught.

For example:

- Describe two or more appropriately sequenced events.
- Include details regarding what happened.
- Include an introduction, structured format, and sense of closure.
- Use temporal words to connect events.

Score 3.0

Learning Intention:

Use a combination of drawing, dictating, and writing to narrate a single event or several loosely linked events, tell about the events in the order in which they occurred, and provide a reaction to what happened.

Success Criteria:

- I can tell about an event or linked events in the order in which they occurred using a combination of drawing, speaking, and writing.
- I can tell a story using connected events using a combination of drawing, speaking, and writing.
- I can react to what happened using a combination of drawing, speaking, and writing.

Optional Assessment:
