

Bronx Coworking Space for Rent

Calling all Bronx entrepreneurs!

MELROSE—Finishing touches are being made at [Bronx Coworks](#), an office sharing space at The Hub in the South Bronx.

Located at 2825 Third Avenue (just below 149th Street) the sleek, modern space is perfect for [Bronx start-ups and entrepreneurs looking for office space](#) where they can grow their businesses surrounded by the creative energy of other like-minded individuals for considerably less money than renting out your own space in an office building.

Roger Saad, one of the partners of Bronx Coworks thinks that Bronxites deserve to have such services that Manhattan and other boroughs take for granted.

“A [Bronx Coworking Space](#) that fills a gap in an untapped market in the South Bronx and the entire borough bringing high-end office space for a reasonable price to our community.” Saad told [Welcome2TheBronx](#).
