

Foothill College Math Department Book Club Winter - Spring 2022 (FHMDBCWS2022)
Meeting Dates and Time Brainstorming

Book Club Meeting Goals:

Our goal for this book club is to meet one day per month for each of the following months:

January 2022
February 2022
March 2022
April 2022
May 2022
June 2022

In order to do this, Jeff was thinking it was most convenient to try to meet on Fridays, since our campus tends not to schedule classes on that day of the week.

To facilitate this process of finding common times to meet, please fill out the doodle poll below:

[Foothill Math Book Club Winter - Spring 2022 Doodle Poll](#)

Please feel free to answer these based on your own preferences. If we cannot find three separate 2 hours time blocks when all participants are free and available from the ones I included in this poll, we'll go back to the drawing board.
